Principal's Message

Our aim at Bonnie Doon is to create an environment in which each student can achieve their own scholastic, athletic and personal goals. I have been proud to watch you achieve these goals, and many of your personal achievements have been rewarding for me, other staff members and, for your fellow students.

It is sad that the production of the yearbook heralds the end of another school year. Soon we will be saying goodbye to many grade 12 students who will be graduating. To the graduating students, I extend my best wishes for the future. I hope that the years ahead will be filled with exciting challenges for you, and that you will enjoy many "steps in the right direction".

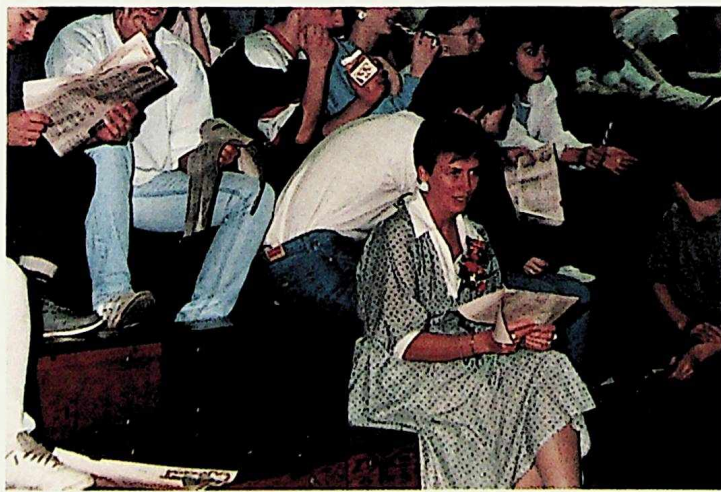

The Yearbook staff chose as the theme for 1987 "A Step in the Right Direction". I feel that your school has taken such a step this year. As your principal I can work with the staff to provide direction for the school. If the students do not take advantage of the opportunities provided, then nothing will happen.

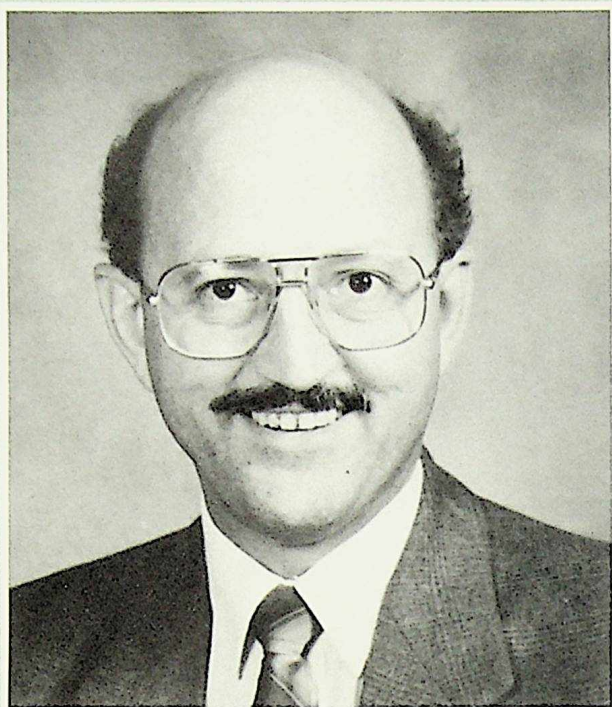

In 1986/87 I feel that you made Bonnie Doon "your" school. I have been impressed by your pride in Bonnie Doon, you have taken an active role in decision making in the school, you have shown courtesy to visitors that has given them a favourable impression of your school and, above all, your participation in all aspects of school life has made Bonnie Doon a school that is talked about in the school system, the community and the press.

The yearbook staff work hard to provide us with this memory of the school year. I would like to take this opportunity to thank them for their efforts to provide us with this memory of 1986/87.

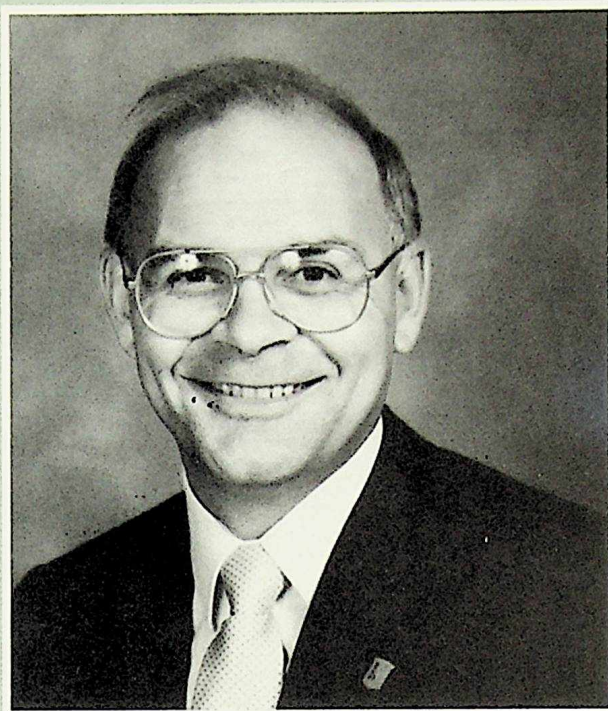

My best wishes to those students leaving us, as well as those who will be returning to Bonnie Doon next year.

Ralph Conquest died on December 20, 1986 at the age of 54.

Ralph Conquest began his teaching career in 1953 at Windsor Elementary School. Over the following 33 years except for 1957-1960 when he served in the Navy, Ralph taught for the Edmonton Public School System. In 1960 he was appointed to Bonnie Doon to teach Mathematics and Science, and had been with Bonnie Doon since then.

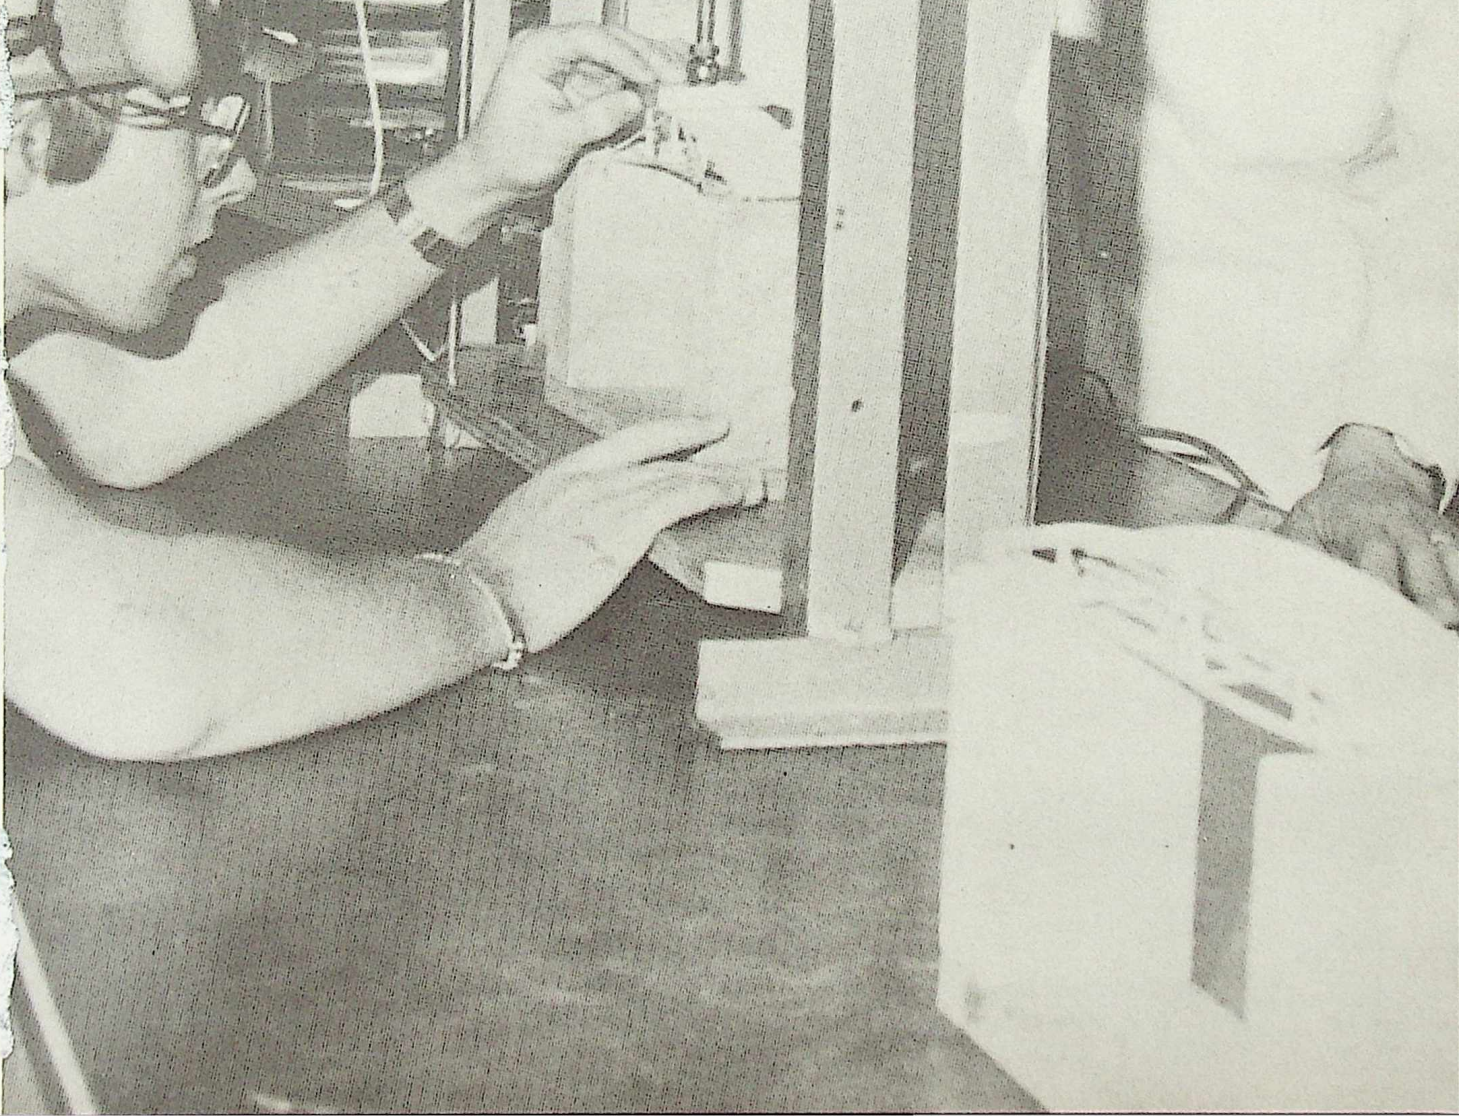

Ralph was the Science Department Head. He became known as "Mr. Physics" and he was highly regarded by the Public School System and the Alberta Curriculum Department of Education for his contributions in curriculum and examination development. He was respected among his peers as a diligent, hard working teacher with a deep concern for the academic progress and success of his students.

He will be remembered by his Physics students for the "Annual Bridge Building Contest" in which Physics 30 students constructed balsa wood bridges and then tested them to determine the best weight to load quotient.

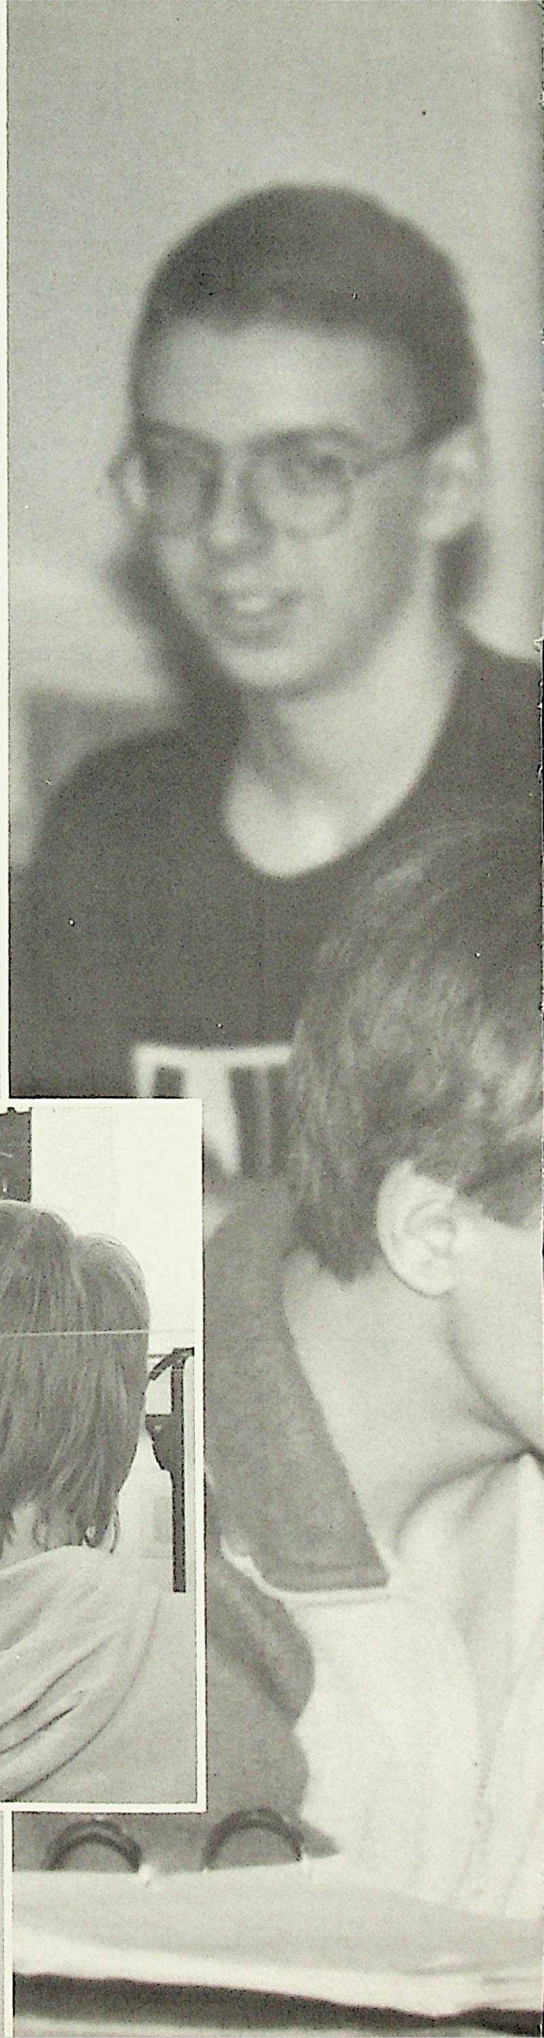

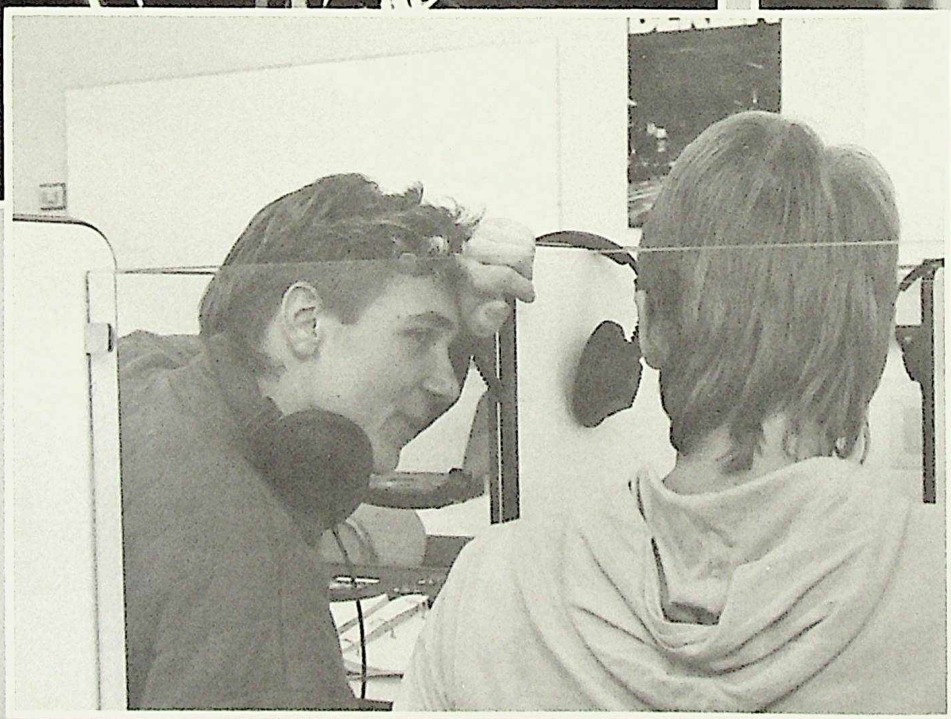

Ralph loved Awards Night and last year he was the Master of Ceremonies. In that role he was in his element; he believed that academic service and athletic excellence displayed by students should be recognized.

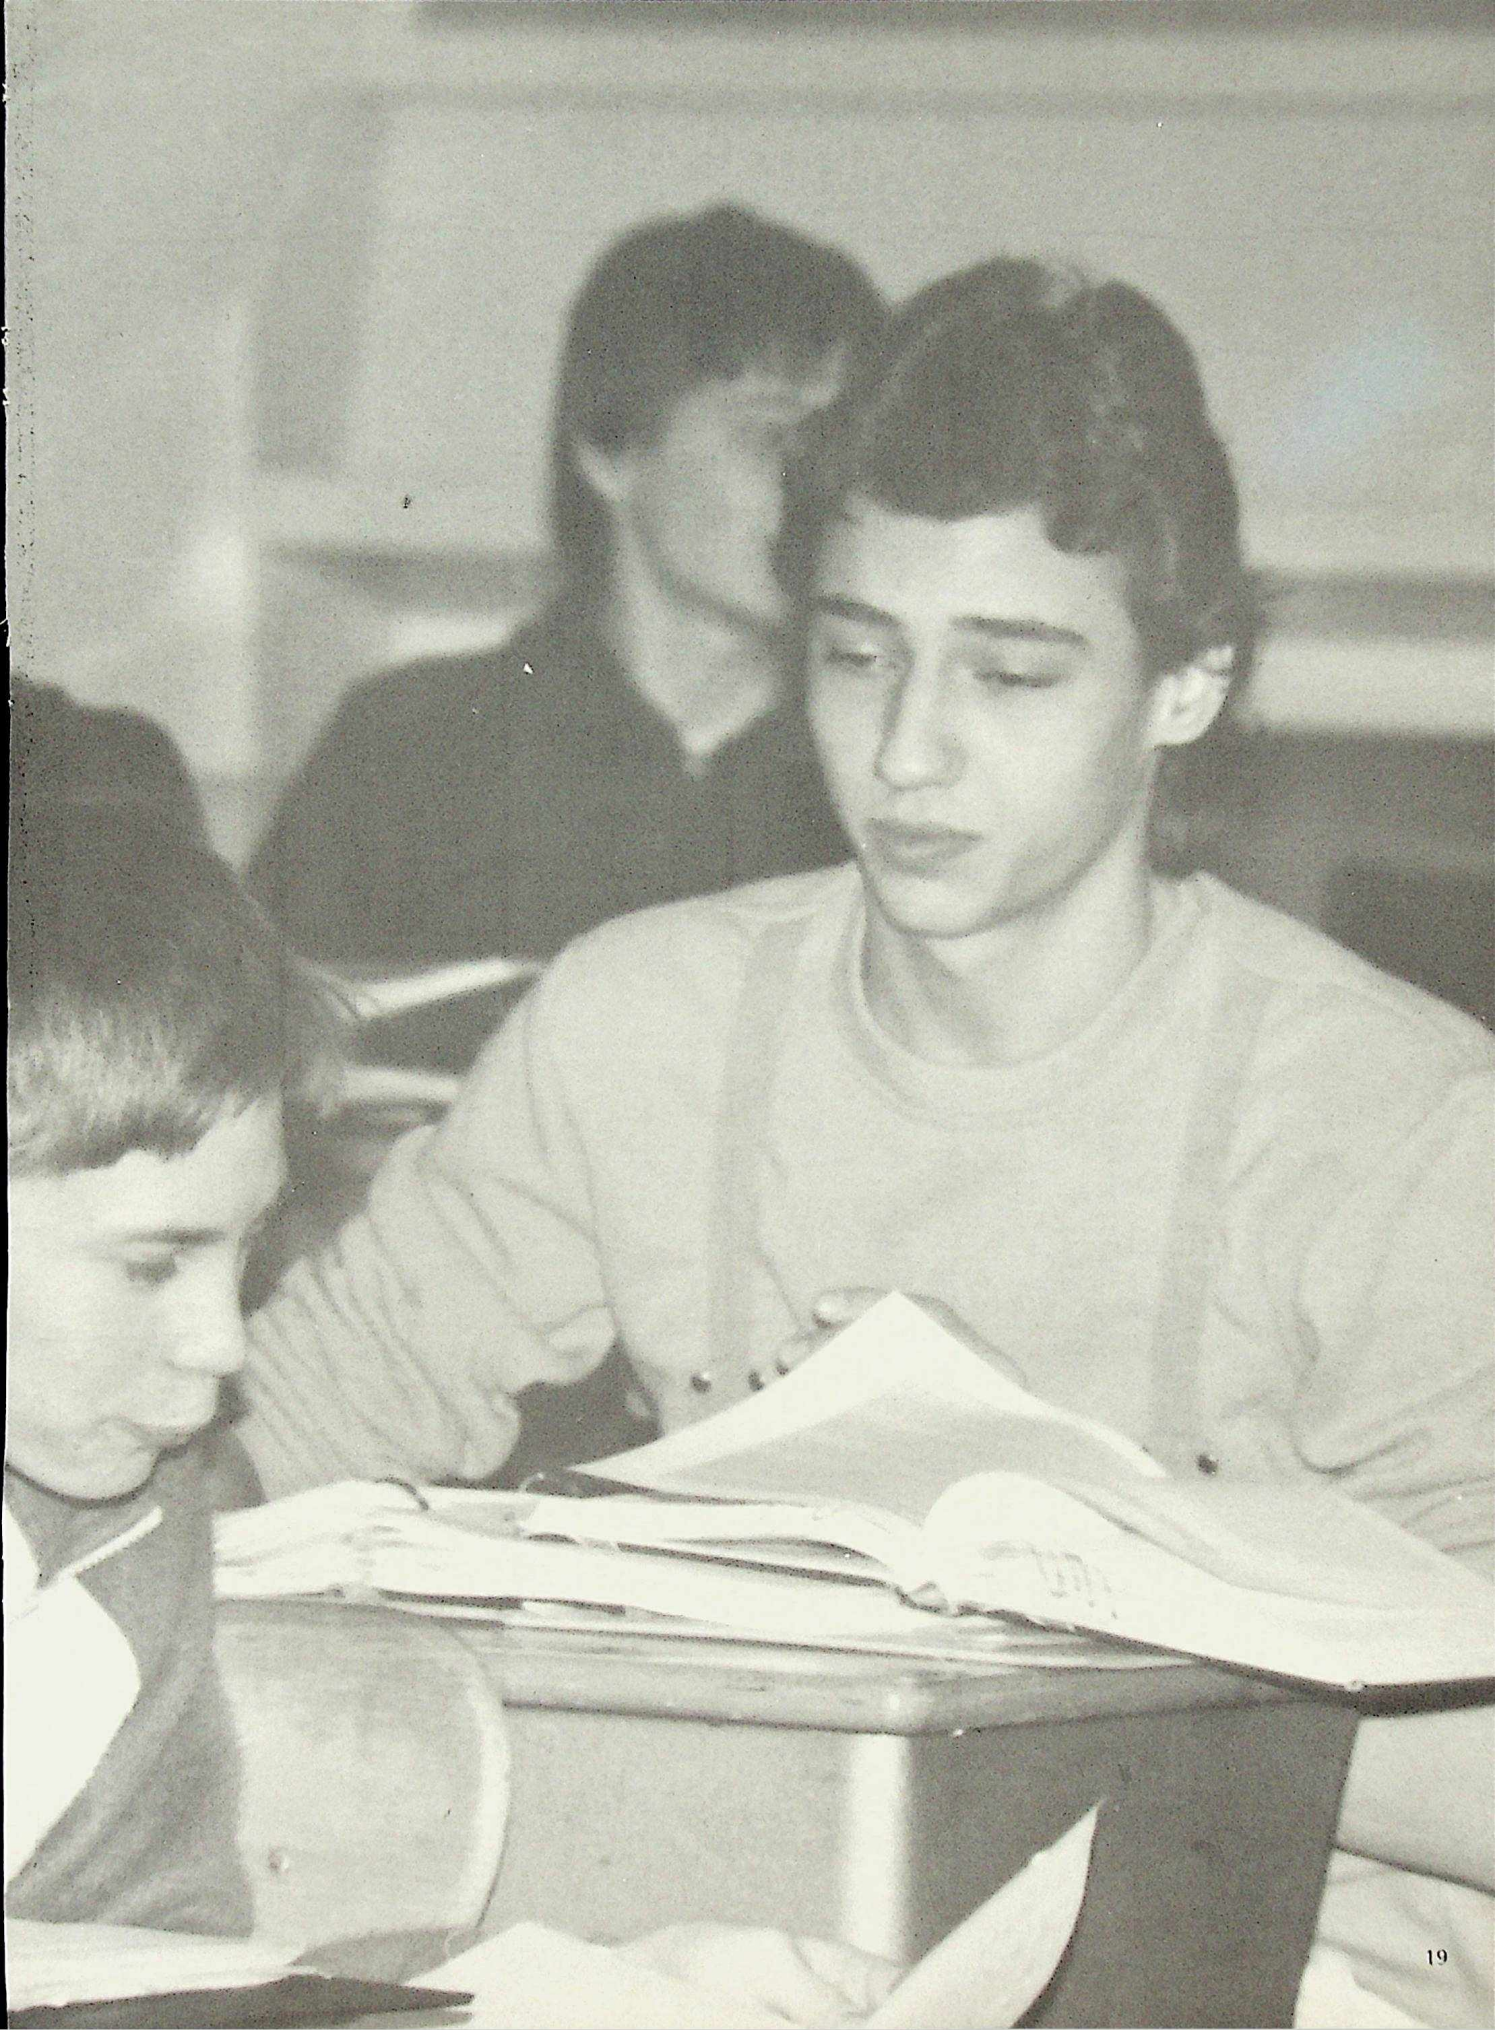

For 26 years Ralph was a familiar figure in the halls of Bonnie Doon, always wearing a lab coat, sometimes even with a hard hat. As a teacher he gave of himself, certainly the greatest gift of all, and those students and staff fortunate enough to know him will carry his ideals, his knowledge and his moral principles with them.

Clubs

THE KARATE CLUB, in its 4th year, promoted several students to a higher level; their consistency and commitment was outstanding. The club's goals of self-defence and fitness are met through self-defence techniques, combinations, total fitness, Kata, full and non-contact sparring and meditation. There is also a chance for tournament participation. The martial arts are physically and mentally demanding. Those who meet those demands will discover:

The ultimate aim of Karate lies not in victory or defeat, but in the perfection of the character of its participants.

THE PHOTO CLUB this past year has worked very successfully on several major projects. This group has worked hand in hand with the Yearbook staff taking and printing pictures for this book. The quality of the photographs between the covers attests to their abilities and commitment. The photo club in co-operation with the Student's Union and Patti Christensen also produced a color slide presentation of the schools activities throughout the year. The presentation was well received by students, staff and the community. It promises to be an annual event. Special thanks must go to the photo club in whole and to Jan Podseidlik and Andrzej Antoniuk for their efforts in producing a black and white display for Open House.

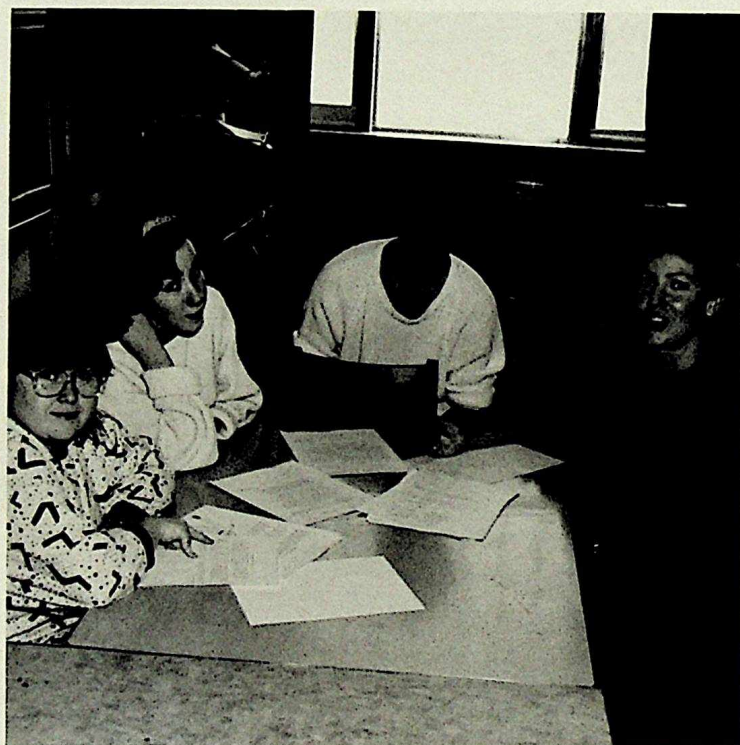

LEFT TO RIGHT: Jan Podseidlik (photo editor), Doug Arndt, Gary Sommerfeldt, Earl Phillips, Andrzej Antoniuk, Don Blackwell (advisor).

DEBATING CLUB: This is the first year for the debating club, and it has been a very successful and notable year. The club has competed in many tournaments, maintaining a good standing. A silver medal was awarded to the team at one of the largest tournaments in the province. Congratulations.

THE LITERARY CLUB had a fair amount of success this year, which made their efforts worthwhile. Two major publications were distributed throughout the school, as well as a devious little sub-project, written by the more sinister members.

Special acknowledgements goes to Ms. Price, who co-ordinated the activities and gave encouragement to everyone. Special thanks to Dave Letendre, Dave Scott and Mark Verhagen, who also made special contributions.

THE BADMINTON CLUB continued at Bonnie Doon and was a very popular activity with many students actively taking part. As in past years, recreational badminton was offered two noon hours a week, with the badminton team meeting on Fridays. There was also excellent participation by a number of other individuals. The girls are to be commended without whom it would not have been possible to field a team. The club is looking forward to a bigger and better year.

THE CANADIAN INTERNATIONAL CLUB concerns itself with promoting tolerance and understanding among the students at Bonnie Doon. Activities this year included attending a multicultural leadership workshop at the Bennett Center and sponsoring "The Devils" soccer team. Members of the club assisted in the displays during International month in April.

THE SKI CLUB: During this year, the ski club went on three major trips to the mountains. The first was to Kimberly, British Columbia for a three day trip. The snow conditions were excellent to superb. On the last day, a six inch snowfall permitted powder skiing on all runs. Heiko Ryll provided some excitement on the Kimberley trip when he fell with his snow board resulting in a journey to the Kimberly hospital. Luck was with him because his ankle was not broken but only sprained. This trip was followed by a March trip to Marmot and an April trip to Lake Louise. More than 100 students were involved in these trips. The students of Bonnie Doon behaved exceedingly well on all of the trips. The resort owners said that they would be pleased to have Bonnie Doon back at any time. Even the bus drivers compliments the supervisor, Mrs. Bererton, on the behavior of the students on the bus. Congratulations are in order for the students of the Bonnie Doon Ski Club. Mrs. Bererton, the supervisor for the club, is looking forward to many more successful trips and possibly to extending the clubs activities to trips to Rabbit Hill.

Students Union

President's Message

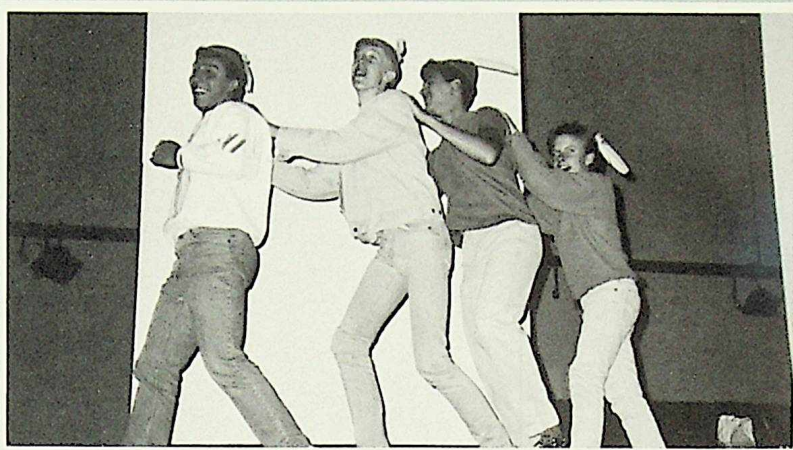

Cameron and I have enjoyed our senior year at Bonnie Doon Composite as president and vice president.

The participation of the student body has been overwhelming throughout the year in activities such as Rookie Days, Oktoberfest, the Christmas dance, Record-Breaking Days, and Touch of Class Day. We hope this tradition of pride will carry on in future years.

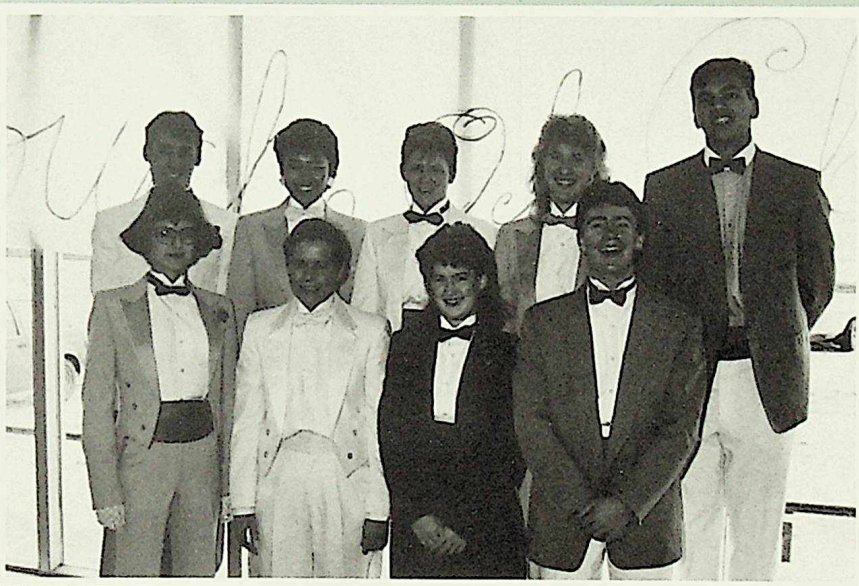

Cameron and I feel our success is largely due to the tremendous support and commitment from the rest of the Students' Union council and our advisor Patti Christensen.

To all students and staff we extend our most sincere hope that your happiness and success will continue in the years ahead.

Rookie Days

Record Breaking Day

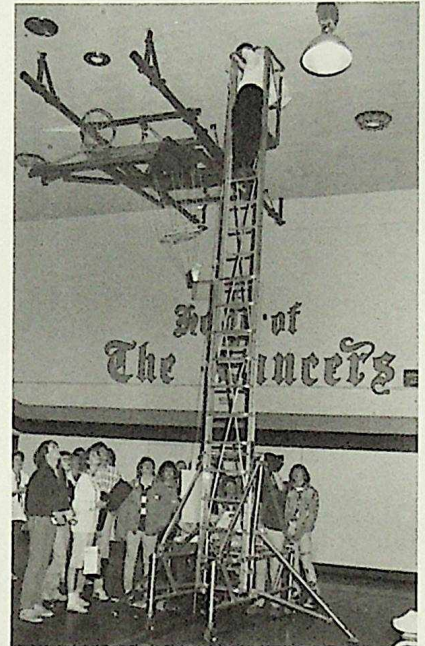

On March 25th, the school saw Mrs. Bererton and Olga Break'narmoff finish to a controversial arm wrestling tie. Byron Staniforth managed to defeat all challengers in the men's version of "Over the Top".

For the first time, an egg was placed in a dead chicken dressed as "RAMBO" which was cleverly thought up by Mr. Staples advisor class. Cts. Eastcott hurled the chicken four times to the floor without breaking the egg.

Brett Stephenson forcefully stuffed 25 pieces of double-bubble in his mouth to win the gum stuffers event.

The Rootbeer chug-a-lug was a first at B.D. Mr. Wiesenborn's advisor class came out on top with the fastest slurp of 13 seconds.

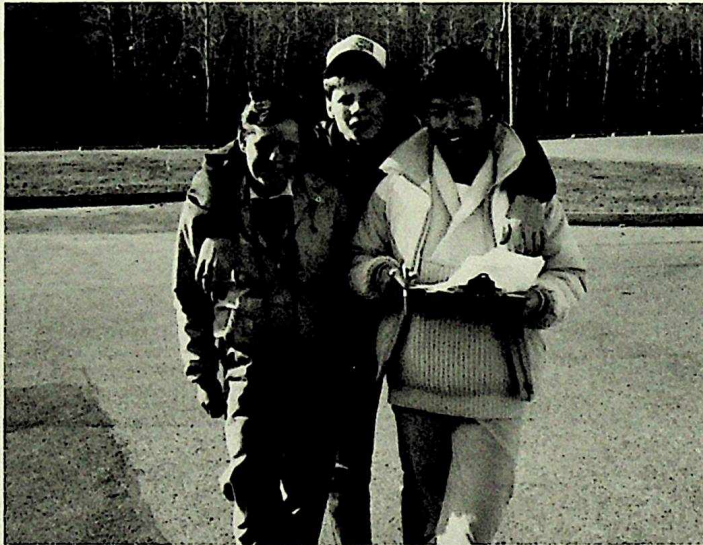

Record Breaking Day will be one of the most unique and outrageous events to take place at B.D. for many years. The whole school was on hand to watch which only added to the success, and hopefully next year it will be even more fun!!

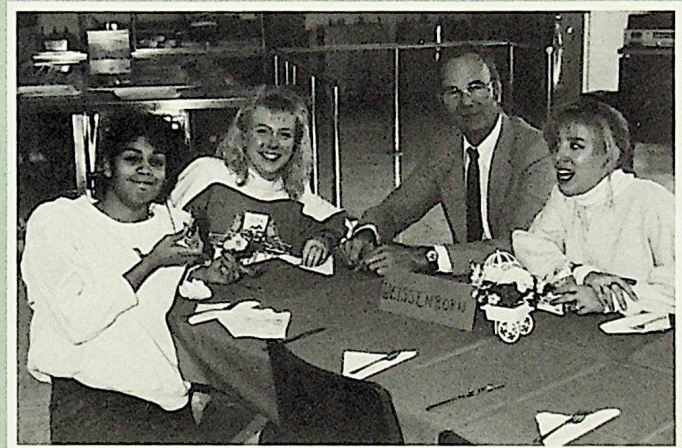

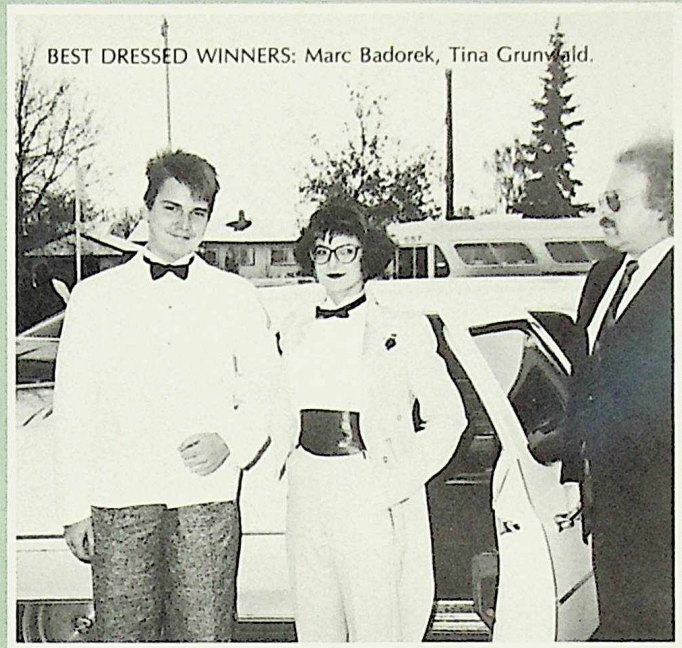

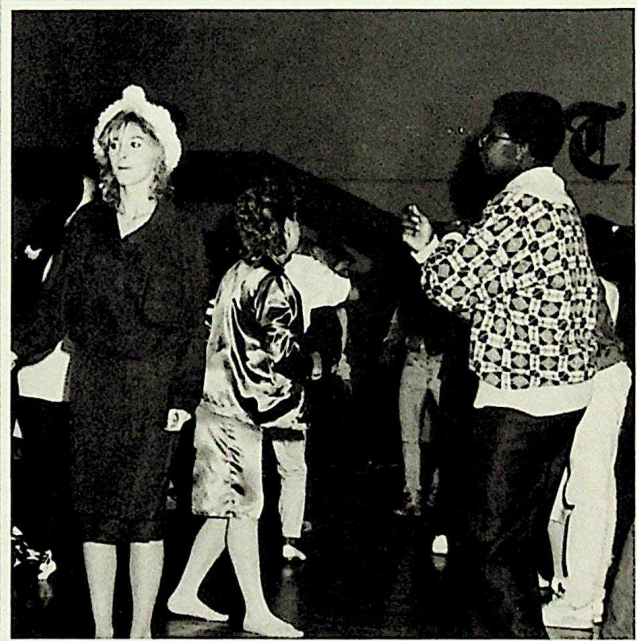

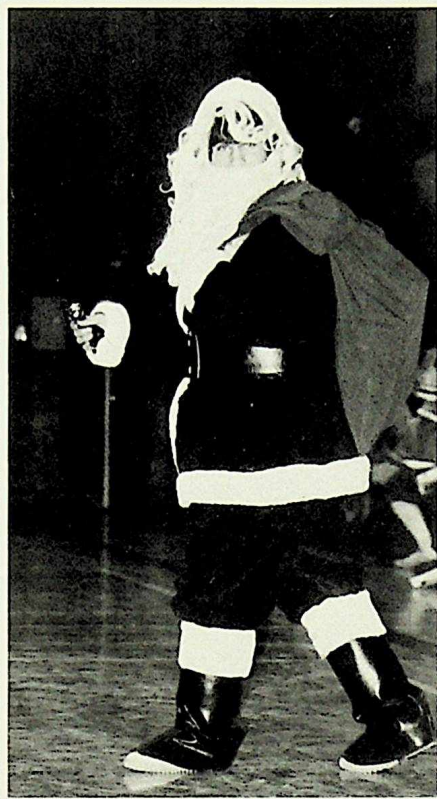

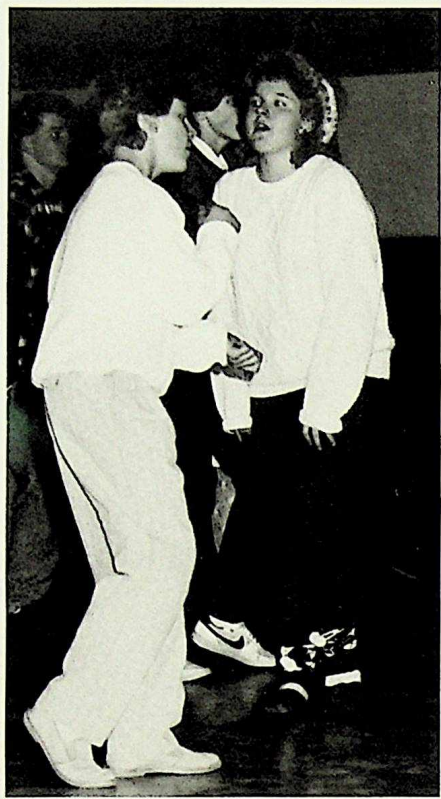

Car Rally

Throughout the year, the Student's Council has tried to offer a variety of activities. One of the zaniest was the Bonnie Doon car rally. It saw students decorate their cars, get dressed up, and take to the streets which provided a day filled with fun and sun. The students had to follow a set route throughout the city and stop at certain check points to get different items. The winning car of Range Bedi and company had the fastest time with the most correct answers. The Student's Council would like to thank all that participated and we hope for a terrific turn out next year.

Activities

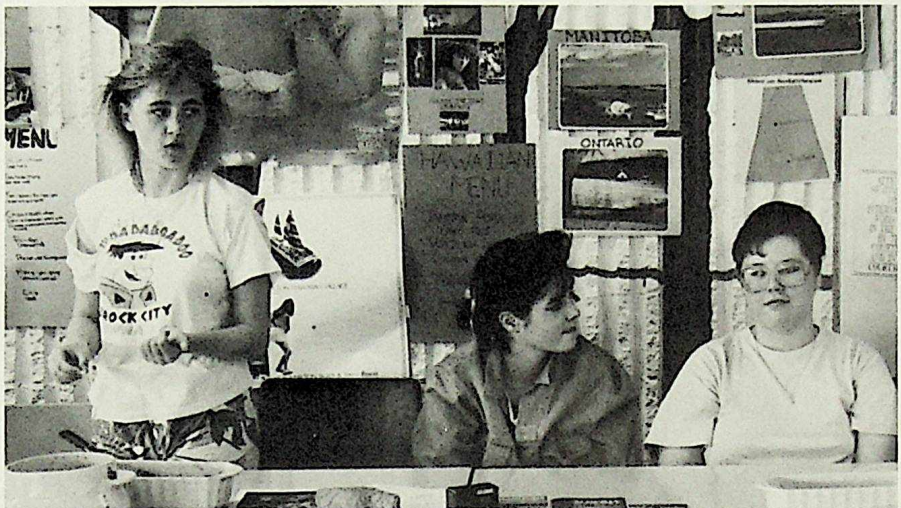

Food Fair

The Food Studies 20 and 30 students presented their 3rd annual CANADIAN & INTERNATIONAL FOOD FAIR on Wednesday, April 29. Guests included Edmonton Public Schools staff, parents, and community.

Each of 25 countries and provinces provided a different food dish to sample and was also represented by posters, maps and flags in a student display.

The food was outstanding, with many compliments received by guests as to a "best ever" FOOD FAIR.

It was a great success with special thanks going to Eileen Spillet, Pat Wagner and their Food Studies students.

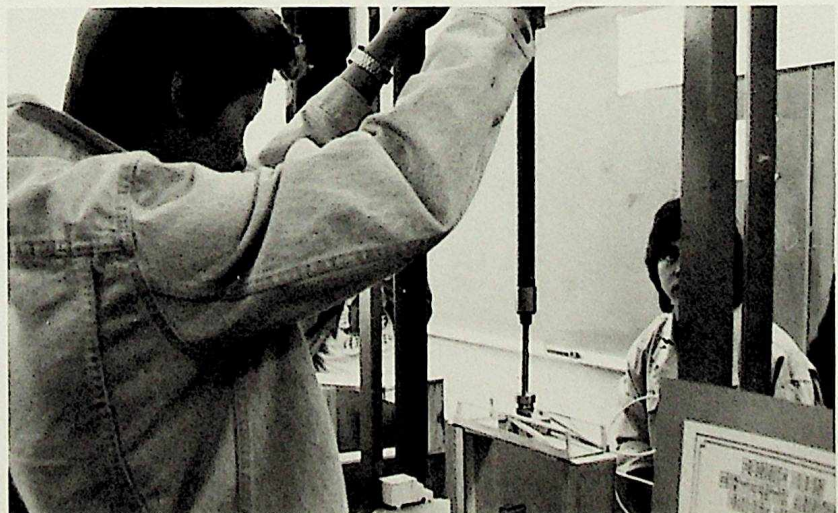

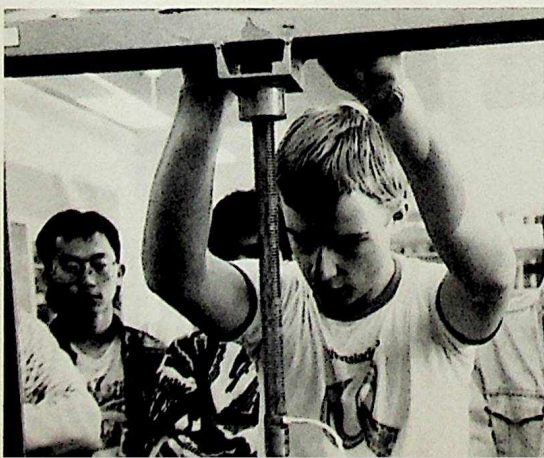

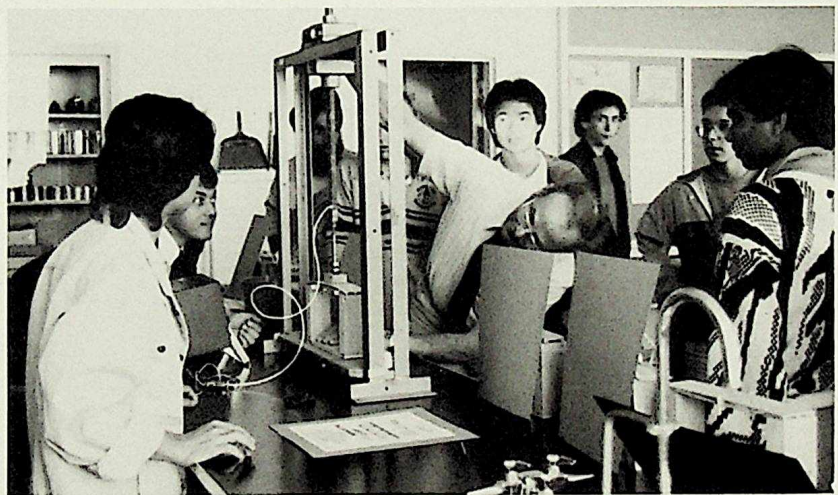

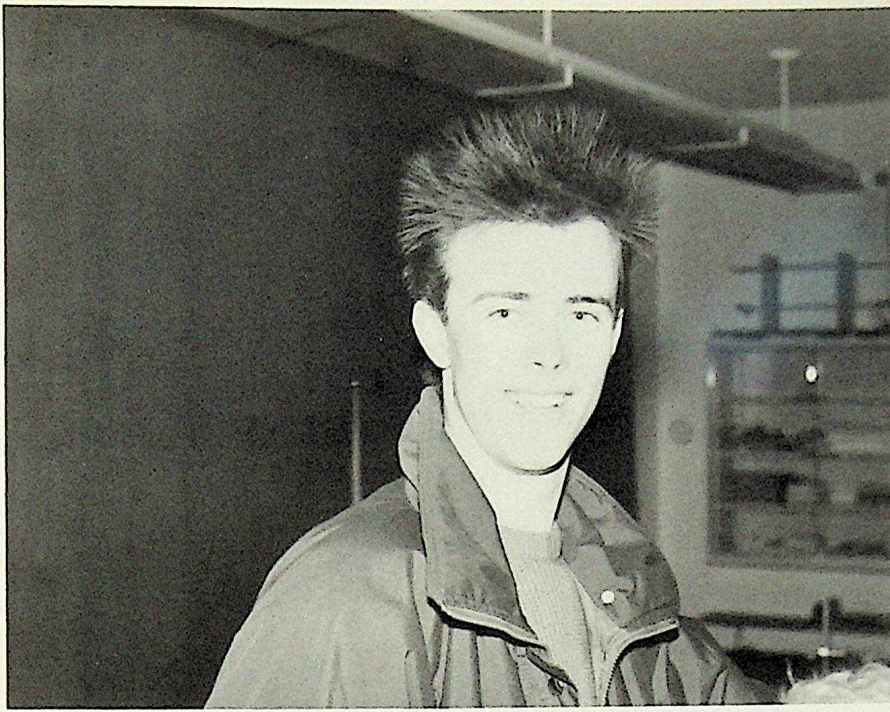

Bridge Building

The annual Bridge Building Competition has been a tradition for the Bonnie Doon Physics 30 students for many years. The bridge with the highest ratio of support load to the weight of the bridge is the winner.

Students participating in the 1987 competition were: Andrzej Antoniuk, Mike Coffil, Bruce Diep, Tuan Ha, Thai Nguyen, Dipak Patel, and Quang Tran. Other students in the school followed the competition with interest and many bets were placed about which bridge would win.

On May 15 the bridges were tested and the winning design was that by Dipak Patel with a load to weight ratio of 2059. Second and third prizes went to Bruce Diep and Mike Coffil with ratios of 1782 and 1719.

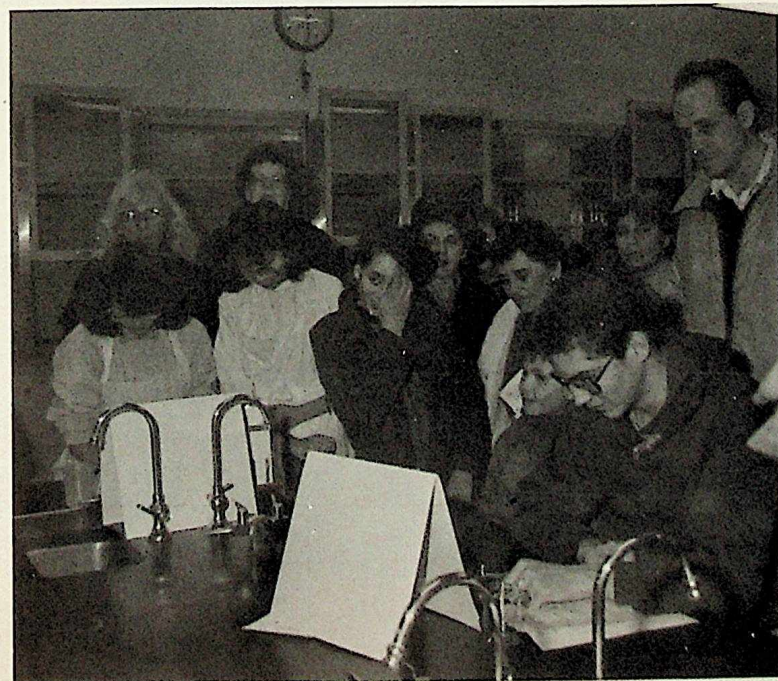

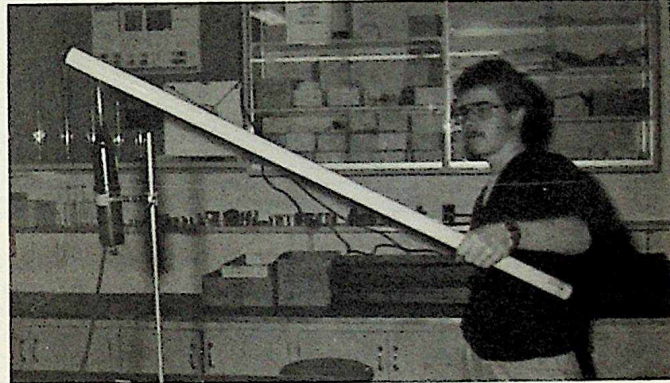

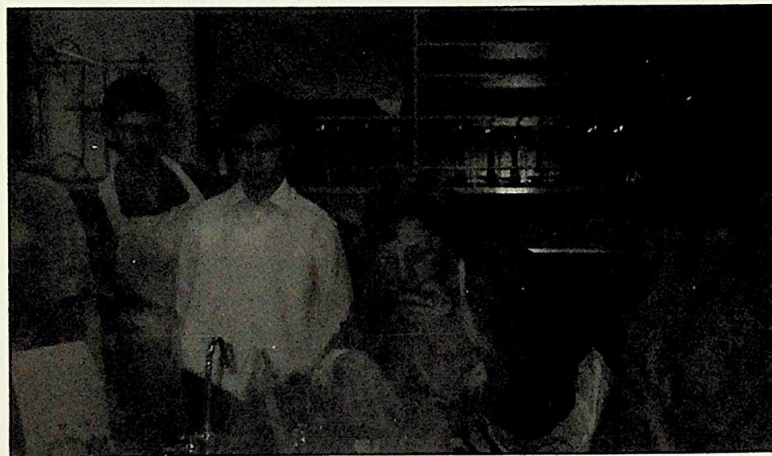

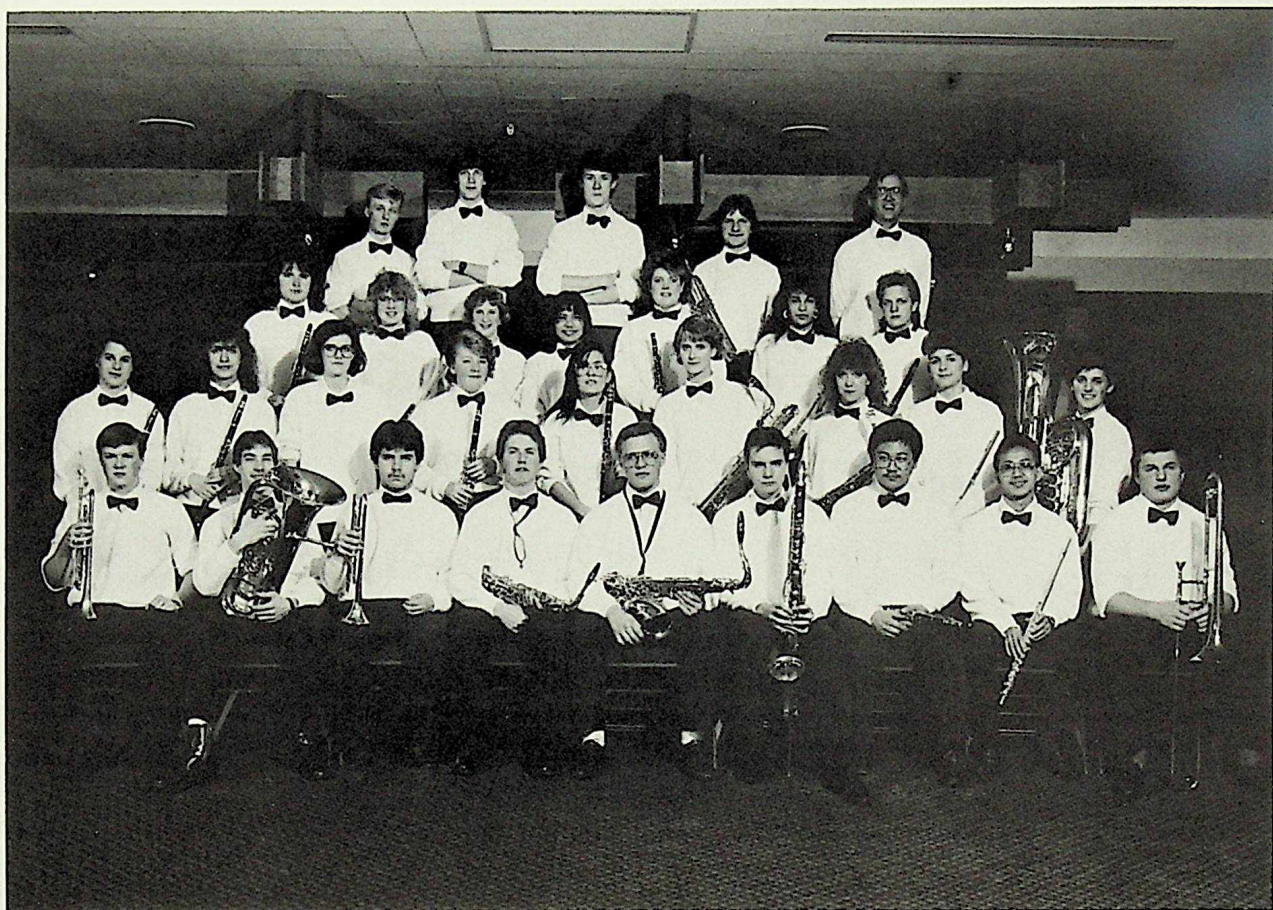

Open House

Bonnie Doon held its annual Open House on Tuesday, March 10. The theme "Students in Action" was exemplified by the efforts of the school's student body. All areas of the school were represented. Drop-bys and presentations included: basketball competition in the gymnasium, the drama production of "Wash the Blood Off My Toga", Social Studies debate, Cafe International, poetry writing, and the advisor program. Many demonstrations were presented which included Physics, Biology, Computers, Typing, and Chemistry.

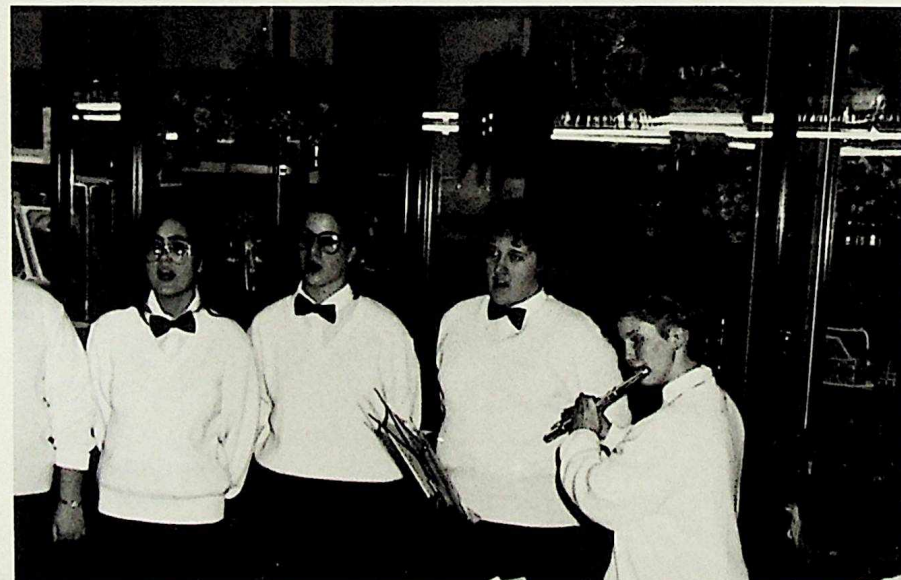

This years Open House was a great success and we are looking forward to next year.

Band of Gold

This has been a very successful year for the Bonnie Doon C.H.S. wind ensemble. Performances have led them to various places throughout the year. Some of these places include, Lake Louise, Calgary, Banff and Ottawa. Under the direction of Ed Staples the Bonnie Doon C.H.S. Wind Ensemble received a gold standing in the Provincial Music Test, which led them to Ottawa where they received a National Gold Standing!

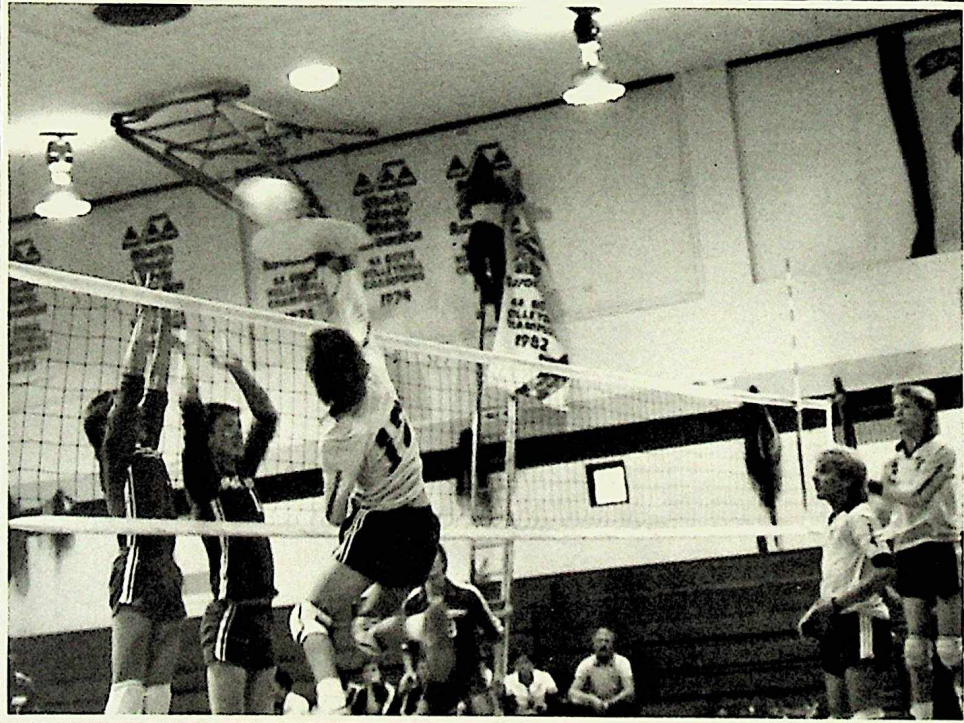

Drama Activities

The Drama Club has had a busy and profitable year. Students performed during Hallowe'en for the small children participating in community programs, and for our students at the Christmas Concert. During Open House, our drama students performed a Reader's Theatre entitled "Wipe the Blood Off My Toga," to a full house. With monies allocated to renovate our Drama Room for the coming year. Our public can look forward to many more enjoyable performances.

Sports

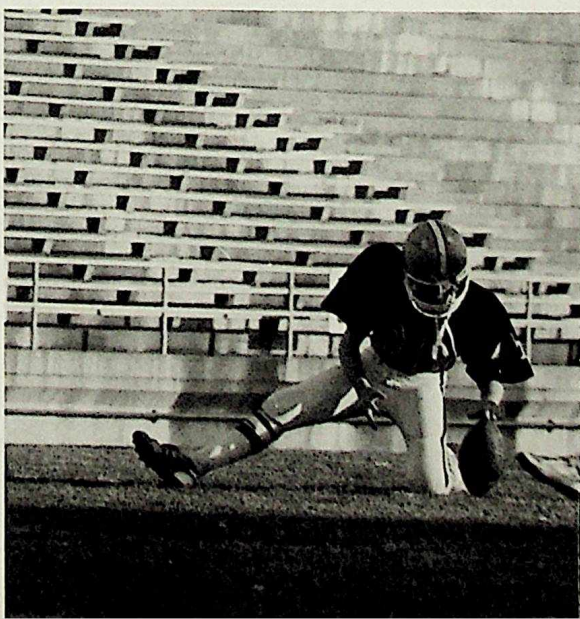

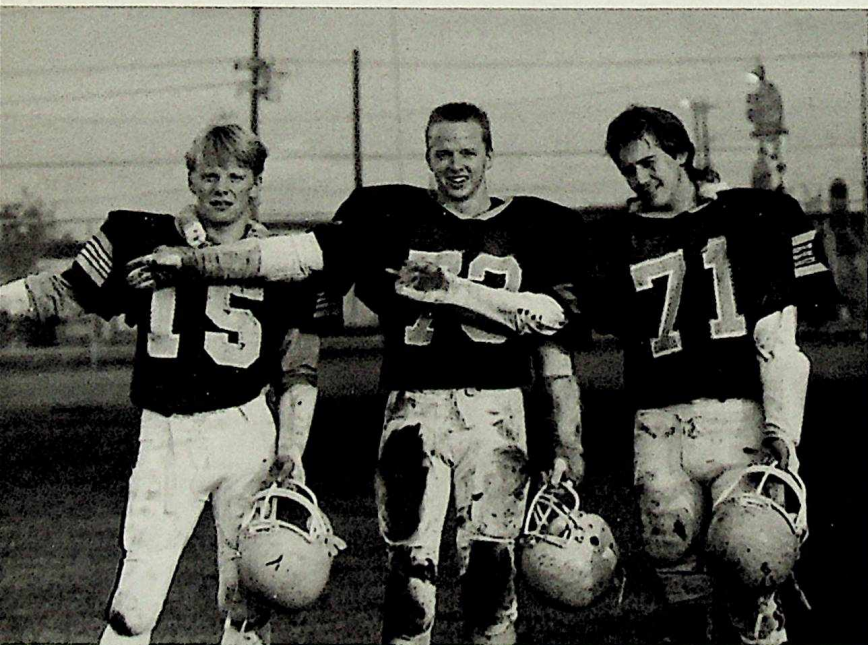

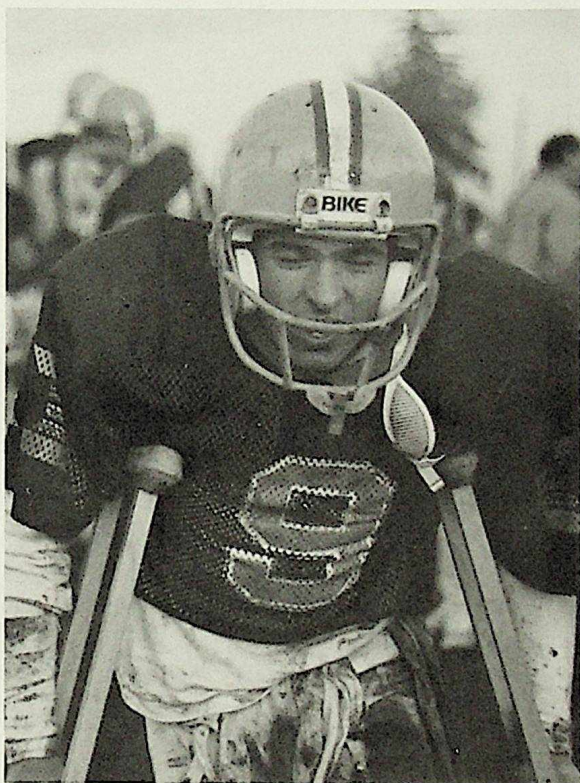

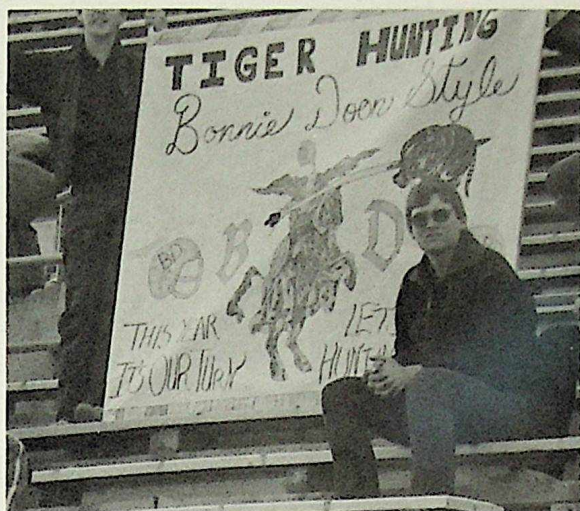

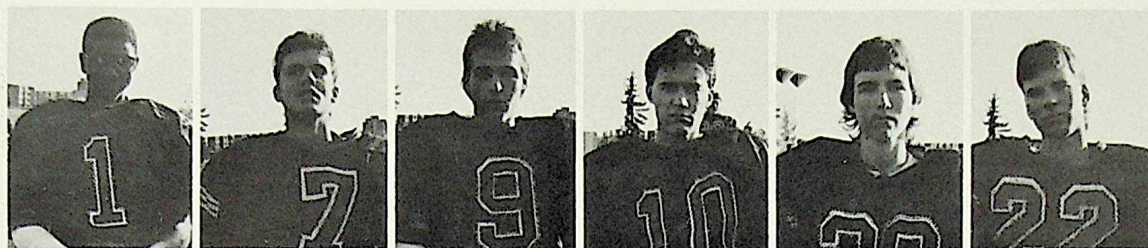

Year of the Rookie

LANCER FOOTBALL began on Sept. 2, 1986. The first practice would go down in Lancer Football history as the "Year of the Rookie", as over 30 players, composing 75% of the team fell into that category. The ensuing week and a half saw coaches patiently teaching these inexperienced warriors the game of football. First game jitters accounted in part for the 13-1 halftime deficit against Holy Trinity. However Dirk Kelm, in true Lancer fashion, returned an interception for a touchdown leading the Lancers back to a 19-13 victory. The Lancers "bombed" Archbishop Jordon 16-0, in the second game of the season, displaying a strong aerial attack. Bev Facey, our next opponent gave us a mild scare scoring to make it 14-7 and recovering the ensuing kick-off. The defense held solid, and the Lancer offense marched the length of the field for the game-clinching T.D. The following game saw two undefeated teams, B.D. and McNally play for first place. At the half McNally lead 2-0 in the defensive struggle. B.D. came roaring out of the dressing room, marching the ball to the McNally 3 yard line, 3rd and goal. A play action pass that did not work as planned marked the turning point in the Lancer season. The regular season ended with the Lancers tied for second place. We entered the playoffs having just four players with Senior High School playoff experience. The experienced Parkland Panthers proved to much, knocking us out of the playoffs.

We would like to thank our fans who proved to be very supportive of the team. We would also like to thank the coaches for donating their time and effort to help make the season enjoyable for the players.

The JR. BOYS VOLLEYBALL team had a very successful season. Regular season play ended with the boys in first place in their City Conference Division. The team beat Ross Shepard in the final Championship round, to win the trophy for the 1986-87 season.

All Star Team

The SENIOR GIRLS VOLLEYBALL team had a great year. There were new challenges to face such as getting up at 6:45 for practices. This meant warming up while still asleep - it wasn't easy. The girls worked hard all season to improve their standing over last year. - We did it - We moved up four places over last season. Winning a playoff match against an extremely tough team, at the Grant McEwan tournament was one of the highlights of our season. Holy was selected to represent Bonnie Doon in the Nait High School All-Star game. Other highlights of the season included Pam's sound effects doing push-ups, Leah running down S.B. in the parking lot, Wendy's bionic arm, Diane forgetting something every game, Michelle's outstanding performances with certain spectators present, Donna feeding the whole team on road trips (thanx Mom), Shauna the snappy hookshot spiker, Suzy deserting us to go to L.A. during playoffs, and Spatter's power hits and serves. All in all we had a very fun and enjoyable season.

JR. GIRLS VOLLEYBALL
This year the Jr. girls had an enjoyable year. With most of the players returning next year, it looks to be another exciting year.

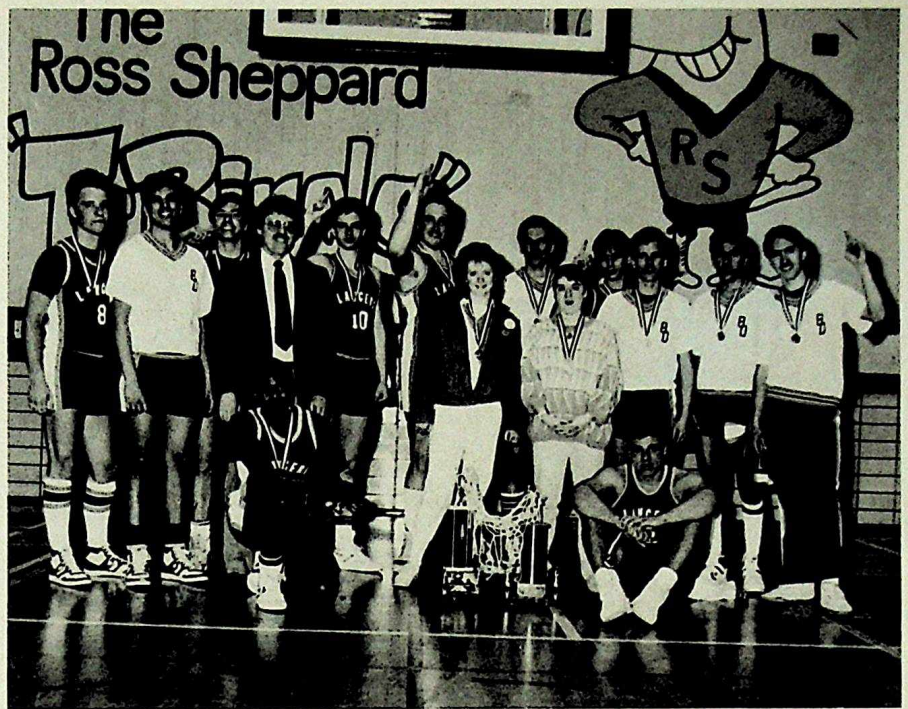

Exciting Year

Sportsmanship

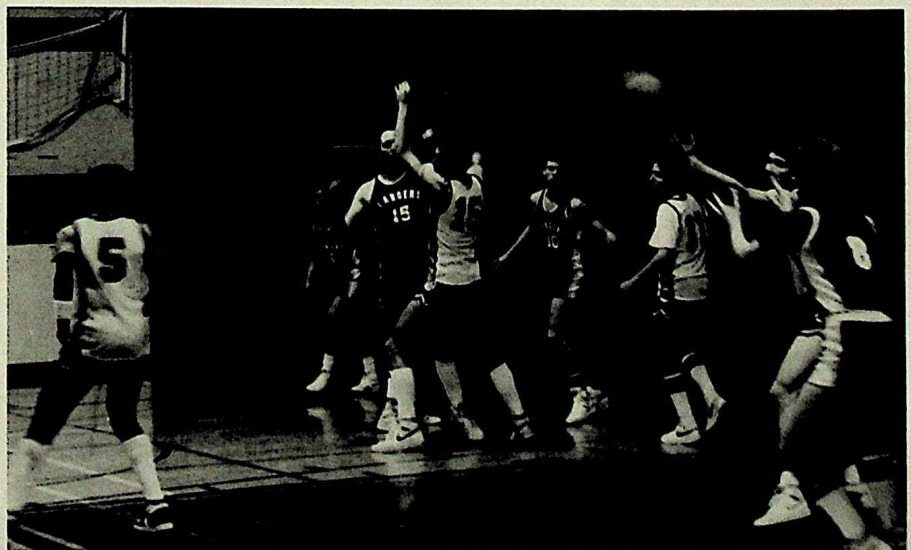

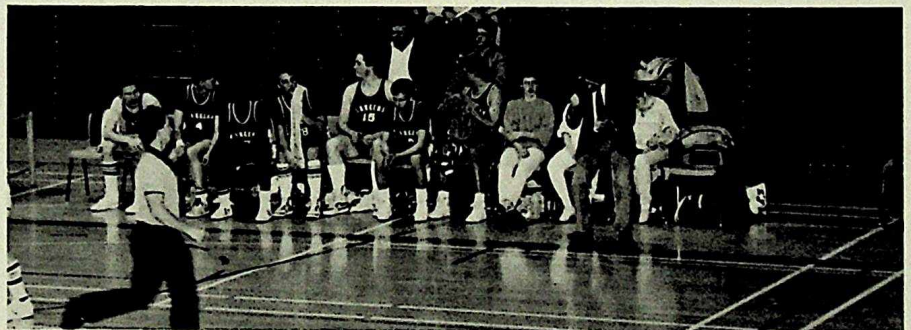

The road to the top was not easy for the SENIOR BOYS BASKETBALL team. The season began with the C.A.P.H.E.R. tournament where they were defeated by a small margin against Premier Conference opponents, which resulted in assignment to the City Conference.

The season was varied with appearances in three other tournaments, where the team finished third, third, and first. The rest of the season consisted of play in the City Conference, which the team won with a 5-1 record. Finishing first assured the Lancers of a bye in the first round of the playoffs and so there remained but two games. The first against ABJ enabled the team to avenge an earlier loss in the AAA Provincial Playoffs. The second and final victory over St. F.X. proved that their earlier victory was not a fluke; they earned the championship.

The team won 15 and lost 11 over the season with most of the wins coming when it really mattered. Overall, the season was a great success, both from the win-loss aspect as well as the developmental and sportsmanship aspect. They are to be congratulated.

The JUNIOR BOY'S BASKETBALL team had a very successful season in '87. The team showed tremendous improvement throughout the season which reflected their hard work and dedication to the game. This improvement will be a definite asset for next year's basketball season. As a coach it was my pleasure to be associated with such a fine group of young athletes.

BACK ROW: Charlette Cane, Connie Zak, Angela Ziemann

A very new team to start a new season, the JUNIOR GIRLS BASKETBALL team had a rather tough start. Toward the end of the season there was a vast improvement in the girls game. Their real accomplishments were team spirit, team improvement and making new friends. The girls all have very high hopes for next years team.

For the first time in four years Bonnie Doon ran a junior rugby team, and what a team. It comprised of 18 grade ten's and 18 grade eleven's, a nicely balanced team. All were beginners but very swift and able learners. We had a very successful season in terms of maximum participation for all involved. With such a strong 87' junior team the 1988 rugby season looks very promising. The Junior boys lost out in the city semi-finals to Jasper Place. Thanks to the juniors for a great year.

FRONT ROW: David Holliday, Heiko Ryll, Troy Bauman, Jeremy Smith, Gary Croome, Pat Veitch, Doug Reder, Kori Porter, Jeff Mawson, Craig Thompson. BACK ROW: Allan Fuller, Brian Stachniak, Wayne Osberg, Ken Pugh, Kevin Kruger, Kirk Mockford, Cory Kot, Travis Parson, Thor Pederson, Jeff Rudiak, Mark Thorpe, Gary Nelson, Brian Heffel (Coach). MISSING: Dennis Anquist, Gary Somerfeldt, Scott Bowley, Martin Zeidler, Troy Adams, Dave Earl, Steve Morash, Les Antoniuk (Coach).

Promising Team

Premier Conference Champs

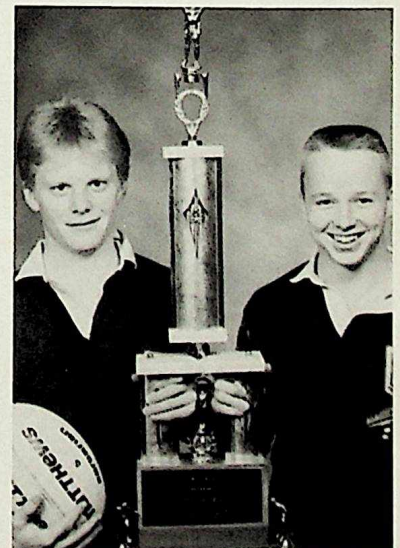

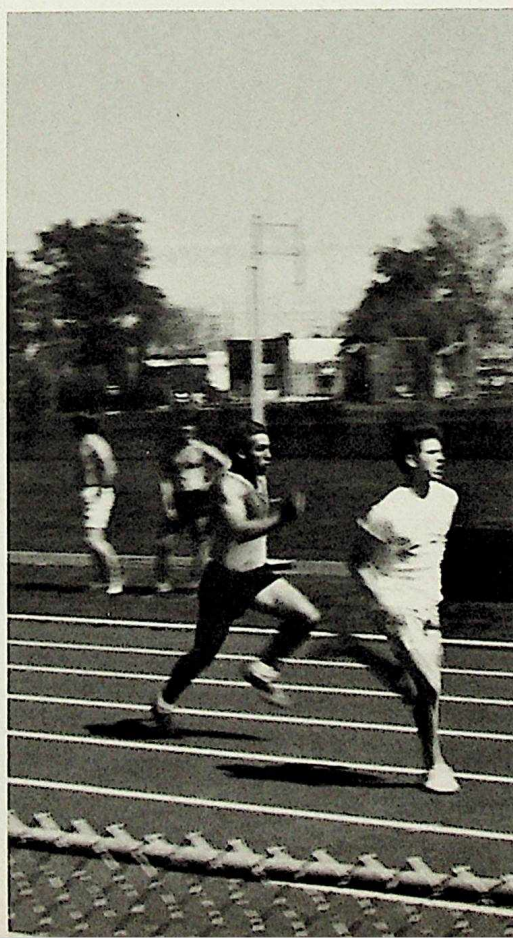

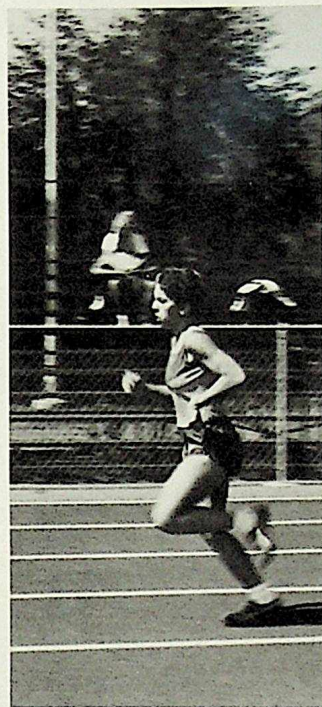

THE SENIOR BOYS team had the most successful year since 1981. Although Bonnie Doon was the 1986 City Conference champions we had not won the Premier Conference title since 1981. This year we did it again capturing the Premier Conference title. A three way tie for first place occurred in our division.

Due to our better points for and against record we placed first. In the semi-finals we defeated Paul Kane 13-4. Revenge was sweet in the finish, for it was against Salisbury who defeated us 16-15 in league play. Salisbury who capitalized on our error scored first 6-0. Bonnie Doon came storming back to score twice winning 12-6. In preseason play Bonnie Doon placed second in the Ross Shepherd Invitational Rugby tournament. Congratulations to a team with outstanding abilities and fine young men.

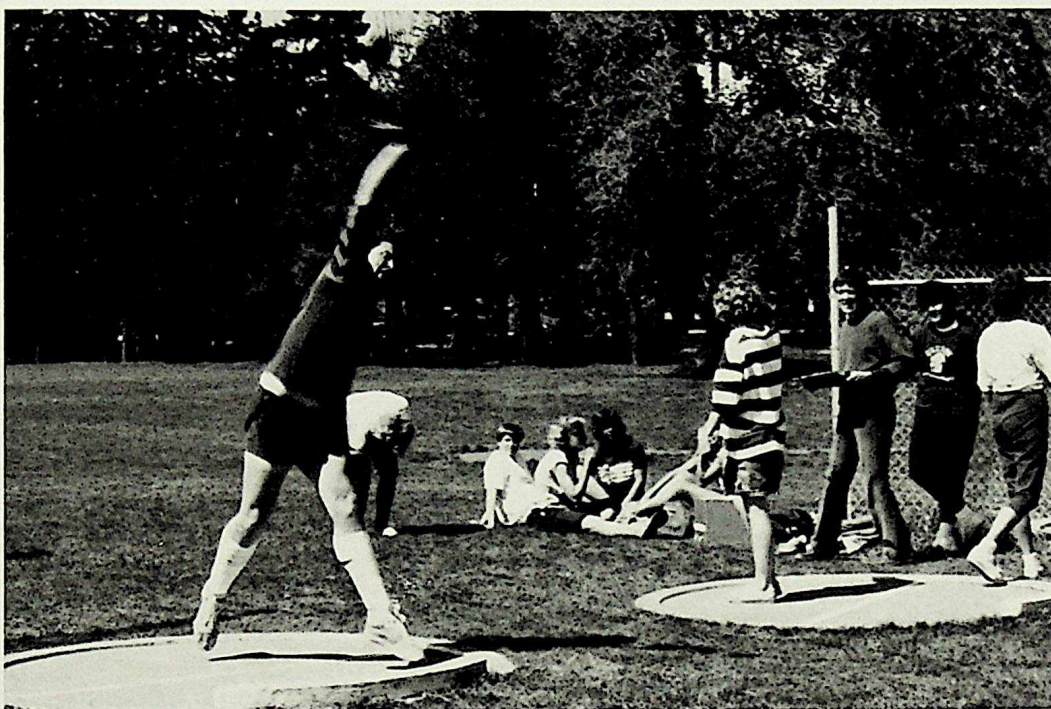

FRONT ROW: O.J. Lepps, Cam Dewar, Randy Olthuizen, Kouros Behzad, Scott VanDusen, Mike Coffill, Ron Brown, Rick Wainwright. BACK ROW: Andy Berdahl, Cody Stiles, Ken Boswell, Shawn Melnychuk, Tim Jeske, Ben Jeske, James Lamouche, Darby Higdon, Jeff Harris, Marrel Payne, Brian Heffel (Coach). MISSING: Jim Johnson (Coach), Bryan Cox (Coach), Mark Karpinski, Bruce Hatch, Doug Beck, Bryan James, Corey Andruko.

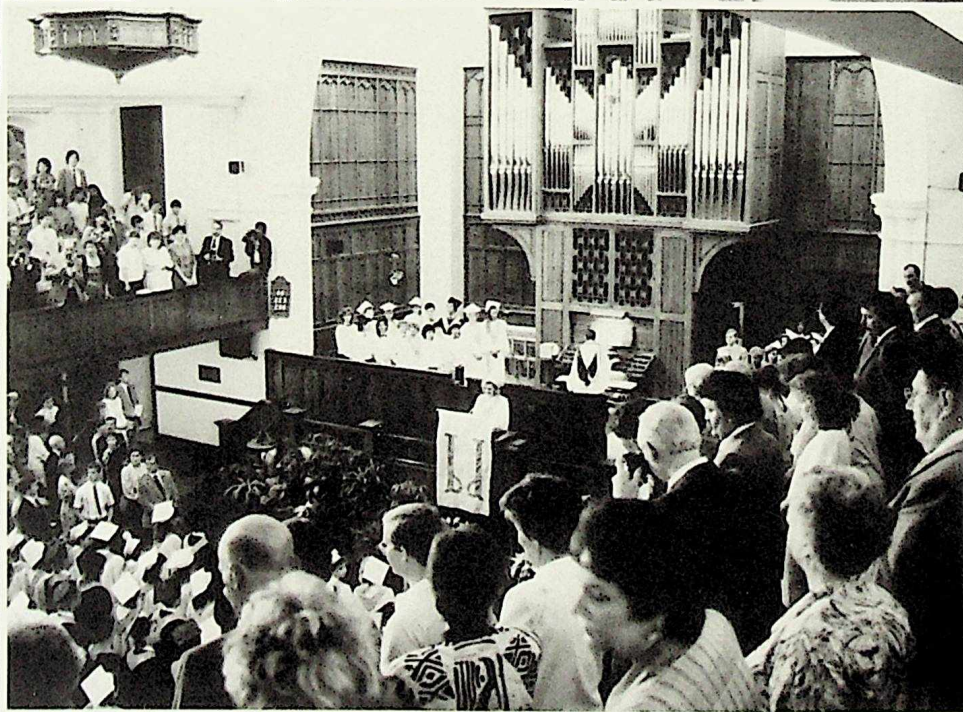

Hard Work and Determination

TRACK TEAM MEMBERS: Allan Fuller, Doug Arndt, Thor Pederson, Arlene Plitt, Rhonda MacLennan, Scott Shillington, Roger Webster, Donna Bacon, Teresa Rich, Ben Makus, Don Neurauter, Darby Higdon, Carol Tabler, Lisa Root.

Stepping Out

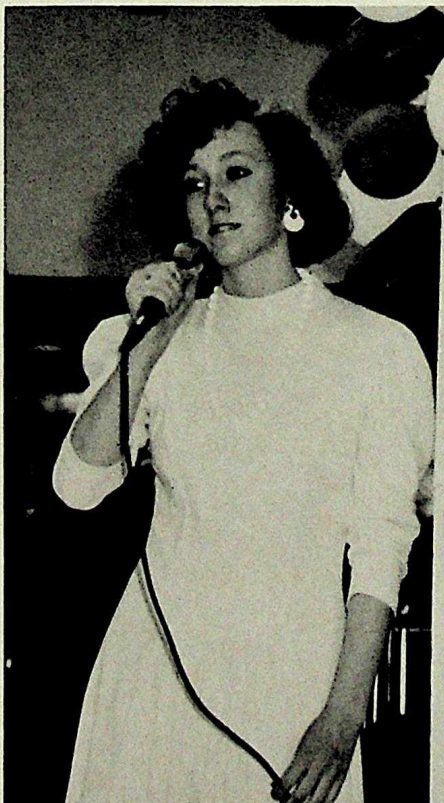

Grad Executive

BACK ROW: Cathy Hryniw, Vice President Banquet; Holly Morin, Secretary; Wendy Chow, Grad Tea; Shauna Milne, Grad Tea; Lisa Trottier, Treasurer and Grad Tea; Susan Darrington, President; Rena Scully, Publicity Director. FRONT ROW: Marlene Decourcey, Fund Raising Director; Pam McCarthy, Grad Tea; Nicky Fordinski, Sponsor Pancake Breakfast; Debbie Mathieson, Grad Tea; Scott MacKenzie, Grade 12 Representative. MISSING: Mr. Mowat, Mrs. Smarsh, Mr. Koehler, Ms. Ponich, Faculty Advisors.

This year's Grad Executive did an excellent job, especially considering the difficulties they had to contend with. There was a very small graduating class, so fund raising was a challenge. Circumstances beyond the executive's control led to tension among some senior class members. Overcoming these problems, the executive organized each activity very well. From the Grad Tea to the Banquet, and everything in between, each event was enjoyable and memorable. The members of the senior class are grateful for all the hard work performed by the executive. They deserve much more credit than they ever received.

Tea for Two Hundred

On May 6 Bonnie Doon's annual Grad Tea was held. The night was filled with lively talking and lively entertainment. There were several teachers there who used to be at Bonnie Doon, adding to the enjoyment of the evening. The entertainment was quite diverse, from a dramatic reading to a saxophone quartet. The guest speaker, Blake Dermott, gave an interesting and meaningful speech. All in all, it was a memorable evening for both parents and students, and others who attended.

Recessional

Class Historians'

OJ: "Good evening ladies and gentlemen, honored guests, and fellow graduands. Tonight marks the end of our high school years, and the beginning of bigger and better things for most of us."

SCOTT: "As we look back to when our freshman year began, we remember our enormous freshman class lined up in seemingly endless lines to enroll in North America's finest scholastic institution, Bonnie Doon."

OJ: "It seemed that first week of escaping the froshers was harder than a certain candy apple red Camaro avoiding an accident."

SCOTT: "And remember our first week of classes, trying to find the right class that we were supposed to be in?"

OJ: "By the time I found my classes they had already started and I was already late."

SCOTT: "Things haven't changed much, have they? But there was always one class you could find . . . Ms. gentles - I mean Mrs. Burke's - typing class. The familiar chant of 'feet, feet, feet!' was always ringing out from behind her door."

OJ: "Lancer pride in athletics has always been top priority among players and coaches alike."

SCOTT: "Take for instance Bonnie Doon basketball. Two-time city champions for the boys, while the girls measured their success by managing to get through an injury-free season."

OJ: "Both Junior and Senior boys volleyball were also strong, as both teams captured this year's city championships, with the seniors going on to the provincials. And again, the girls managed to get through an injury-free season."

SCOTT: "The rugby team again proved their superiority in high school athletics by denouncing the McNally Tigers in a one-sided game."

OJ: "The football team seemed to have its ups and downs, mostly downs, as they marched along in regular season play, but once again choked in the playoffs."

SCOTT: "But especially, Bonnie Doon teams remember the swarms of fans who were out at every game."

OJ: "And we'd like to thank both of them."

SCOTT: "Bonnie Doon has also had its share of special events through our three years."

OJ: "The Lancer Cup drew top-notch volleyball teams from across the country to our school for an excellent tournament."

SCOTT: "Due to overwhelming financial success, however, the Lancer Cup was not held the following year. But no school is perfect, as those of us with cars soon found out. Parking at Bonnie Doon in our senior year seemed harder than Mr. Marian's tests."

OJ: "And other events, too many to name, such as air guitar competitions and drama presentations also went over with a bang, and we witnessed the school come to life with the many artful renditions such as the cafeteria forest."

SCOTT: "O.J. and I have come up with our own version of the Grad Popularity Poll and we call it the Paper Plate Awards."

OJ: "Category one . . . having the largest ego with the smallest car."

SCOTT: "Scott Shillington. Category two . . . smartest decision of the year."

OJ: "Suzanna Read and Lori Bell for transferring to Bonnie Doon from McNally. Category three . . . nicest car with the worst driver."

SCOTT: "James Lamouche. Category four . . . best haircuts."

OJ: "Marrel Payne and Scott Van Dusen. Honorable mention in this category goes to Don and Doug Beck. Category five . . . most likely to own their own tanning studio."

SCOTT: "Shelley Williams and Nikki Kammerer. Category six . . . most likely to figure out how to put the caramel in the Caramilk bar."

OJ: "Theressa Kunyk. That concludes our history, but we'd like to take this time to thank those who brought us here."

SCOTT: "We'd like to thank all of our teachers for the time and effort they contributed, the cafeteria staff for their great lunches and friendliness, and of course, our parents, for their help and encouragement these past years."

Valedictorian

"Good evening fellow graduands, teachers, parents, and friends. After many years of hard work and learning, both inside and outside the classroom, we have completed our childhood educations. As we were learning reading, writing, and arithmetic, we were also finding a pathway to our goals and dreams.

When we first began going to school we sometimes thought about what we wanted our future to be like, or what we wanted to be when we grew up. Most of us were limited to someone wearing a uniform (such as a nurse or policeman) because they were easy to visualize. Or we dreamed about being the richest person in the world, or what it would be like to be invisible, or some equally incredible idea. At that time, dreams were wonderful escapes from life that we knew would never come true. However, this idea of dreams gradually changed as we became older and learned how to do more and more. We began to realize that if we want to accomplish a goal strongly enough, we could, if we worked at it. This new idea of dreams became especially clear near the end of grade nine as we were registering for high school. The dreams we had then were much more diverse than they were in kindergarten. They were also more confusing because of all the choices available and the possibility of making those dreams reality through our education. Looking through course descriptions, we noticed that some courses were more useful for us than others for fulfilling our dreams. Choosing our courses in this way meant that the decisions we made then were very important, as we can see by where we are now. Now we are on the verge of making our dreams reality. Grade twelve is the bridge on the path from the dreams only we can see to making our dreams come alive for all to see.

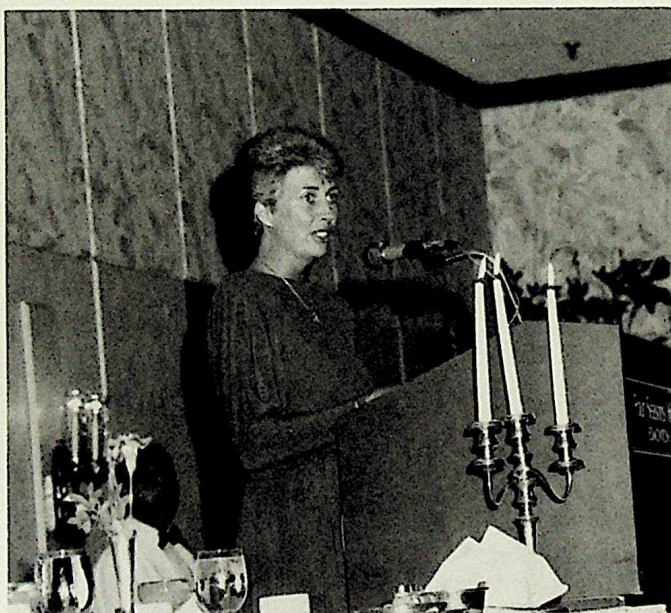

From here, we can go directly into the work world to accomplish our dreams, or we can continue our formal education. Whichever path is taken, we must hold on to our dreams, so they can hold on to us and take us wherever is necessary to make them reality. If a goal is forgotten about, it has no chance to be realized because it ceases to exist. However, if that goal is remembered, even if only in the back of your mind, there is always a chance, because the goal is still alive, ready and eager to spring to life if just given the opportunity. To give a dream a chance, though, takes much hard work and a bit of luck, too. It takes doing your best, and sacrificing sometimes. But any goal worth attaining is more than worth doing whatever you can to make it real.

It has often been said that "if you believe it can be done then you are right, and if you don't believe it can be done then you are right, too." This applies especially well to making dreams reality.

Class of 1987, before we say our final goodbyes and go our separate ways, we have many people to say 'thank you' to. We must thank our parents and our teachers for giving us strong foundations on which to build our dreams into reality. And we will make our dreams reality. We can do it, each and every one of us. Congratulations, class of 1987. May all your days be filled with happy memories and making tomorrow's happy memories, and may all your dreams come true. Farewell."

A
Night
to
Celebrate

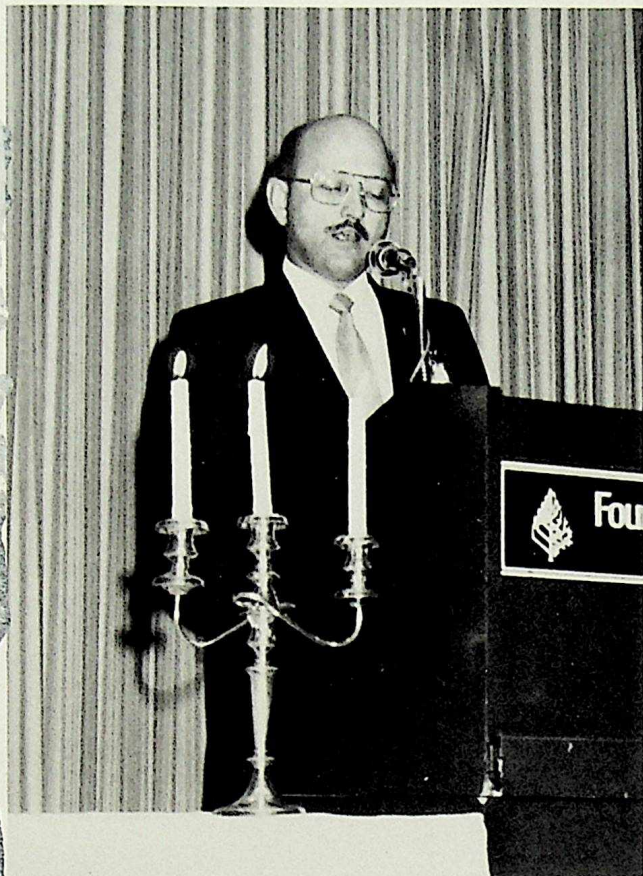

On Saturday, June 20, the Graduation Banquet and Dance were held at the Four Seasons Hotel. Dressed in evening gowns and tuxedos, the grads enjoyed an evening with their family, friends, and teachers. Following a beautiful meal were toasts to and from the Senior Class, the teachers, and parents. Gifts were given to the Faculty Advisors who helped make the Graduation events possible. The annual Grad Popularity Poll winners were announced and each received a trophy for recognition.

The dance, hosted by Bob Layton, followed, to finish the evening, but not the celebrations. As any grad can say, the celebration of Grad '87 continued well into the next day.

LOWER RIGHT: Dancing the night away.

Head table, Honored Guests, Moms and Dads, Friends, Senior Class: Each of us has a special dream of an opportunity which might be given. To be able to toast this senior class is such an opportunity for me.

For three years it has been my responsibility to point out weakness and to try to provide discipline for students from this class. Tonight, I have the pleasure to tell all of you what a great group you are. That includes Trina Campbell - I hope you like my coffee mug; Cody Stiles - You are doing great; Ahmed Hennawi - Getting here was taught for you; Shelley Williams - I am happy for you. I will mention a few of you as I list some of your strengths. I don't have time to mention them all.

So Senior Class, here is my toast to you as individuals and as a class.

You are good natured and easy going. I think of people like David MacLennan, O.J. Lepps, Kevin Gibb.

You are quiet, steadfast and able people come to mind, Michelle Reed, Jason Scott, Sheryl Hunter, and Nicola Fort.

You are dependable like Roger Webster, Floyd Maschke and Cam Dewar.

You always give your best. I think of Sharon Maksymiuk, Marlene Decourcey, Rena Scully and the whole bunch.

You are determined. Such people as Jane Ilijoic, Candyce Chwyl and Kim Dingwall.

I want to give special mention to a young lady who exemplifies determination more than anyone else. She can't be here tonight. She is back in hospital - Lisa Parisien.

You are competitive. Arlene Plitt, Basketball teams, Rugby teams, Volleyball teams and Debating teams.

Again I want to mention a special competitor. Another young lady who is an example to us all - Michelle Dermott.

You are capable. Examples - Martin Haekel, Barb Zak, Andrea Omar and so many, many more.

I know I have not been able to mention everyone's name. However, there is one last characteristic I want to mention which each of you has shown me.

You are good friends with each other and with many of the staff at Bonnie Doon. I think of Kim Rich with her special Good Mornings, Rick Wainwright and his "Hi Curlly", Sherry Poulin and her hugs, and all of you for your smile and caring. You are all special.

Moms, Dads, and friends of this class. I know these sons and daughters of yours and I know this:

In the end when the dreams become reality and the accounting is being done, these students, our senior class, will be the proud recipients of the rewards which come to those who dream and DO. Would you all please now rise and toast our senior class.

TO THE SENIOR CLASS!

- T. Mowat

UPPER RIGHT: Grads ready to party.

LOWER LEFT: Surprised dancers caught in action.

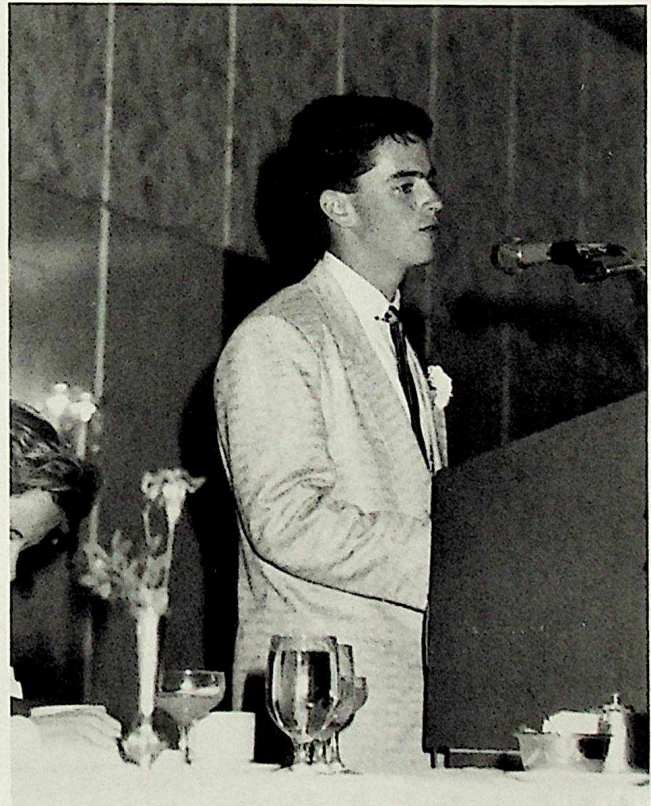

Good evening Mrs. Stiles, teachers, fellow graduands, and especially to the most important people in our lives - our parents. I'd like to take this opportunity on behalf of all the senior class to give a toast to our parents, who nursed us as children, who supported us, and who shared their wisdom to make us better people.

As this is a Graduation, we are moving on, growing up, and will hopefully become independant and good citizens. However, we will always rely on our parents for financial help! Oh, Sorry!

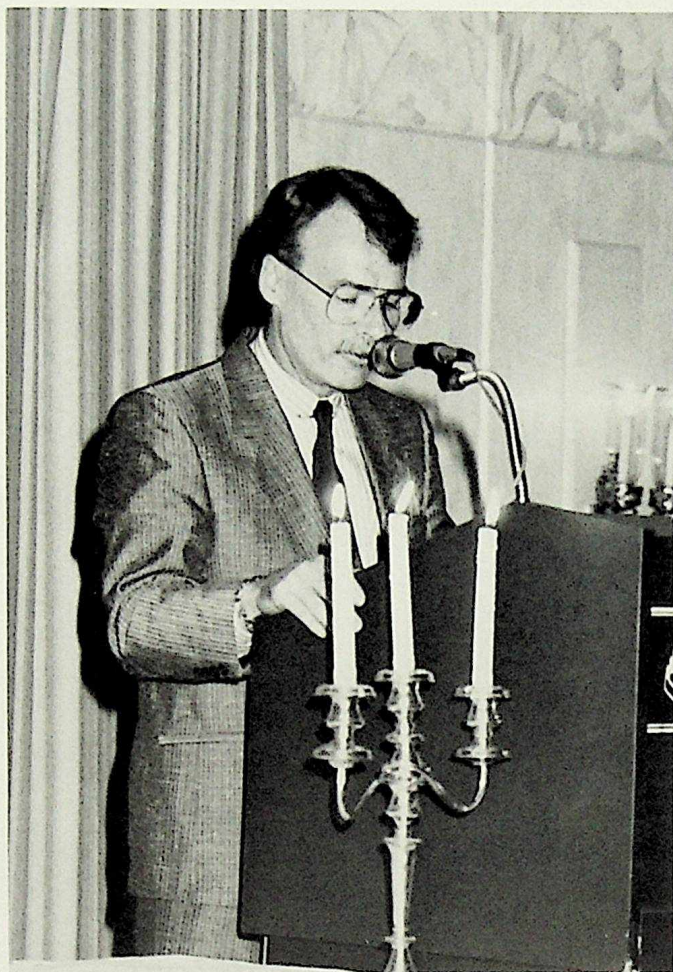

Seriously though, in our desire to become independant, we know we have put you parents through some difficult times, yet whenever we need you, you are always there. It is because of all of this that I am up here tonight, acknowledging our Moms and Dads, expressing our thanks to them, and saying that we love you. We could not have done it without you.

At this time I would like to ask that all of my classmates stand . . . raise your glasses . . . and join me in a toast to the parents. TO THE PARENTS!

- Cam Dewar

RIGHT: Mr. Mowat and Darlene Tripp burning up the dance floor.

Good evening ladies and gentlemen. Is it indeed an honor for me to have been asked to give a toast to the Bonnie Doon graduating class of 1987.

Well gang, congratulations. You have finally done it. Twelve long years of toil and sweat, countless hours pondering over homework, essays, and assignments. Thank goodness it is over.

Now that it is all over, you probably don't feel that way at all. In fact you're going to miss good old Bonnie Doon a little.

You had some good times together, you had some excellent times together. You made some very good friends, not only among your fellow classmates, but among your teachers as well. You shared the ups, and downs, the wins, the losses, the awards, and the accomplishments. And what a wonderful time it was. You will never forget it . . . it will always be a part of you.

However, grade 12 is over and graduation is here.

Being a parent on this occasion, we think back to not so long ago when you took your very first step, stumbled, cracked your head open, and we rushed you to the hospital. Oh sorry!

And then you took your second step, and before long you

were off and running.

To us, graduation is another big step in your life. No stumbling this time, just off to bigger and better things - learning a trade, joining the work force, or off to college or university to further your education.

We have loved you, nurtured you, guided you and instructed you for many years now, and we will continue to love you, nurture you and guide you. However, the time has come in your life where YOU have to make the decisions, because it is YOU and only YOU who is going to have to find your "niche" in life.

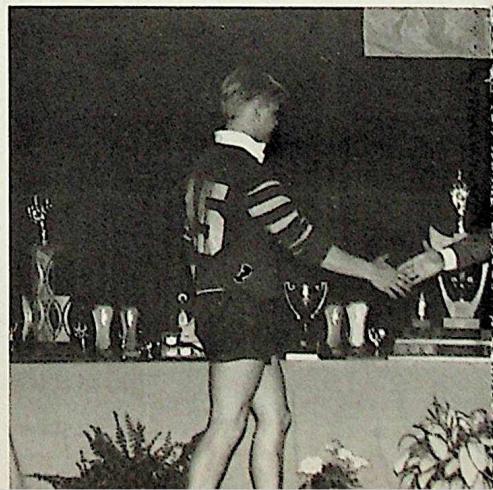

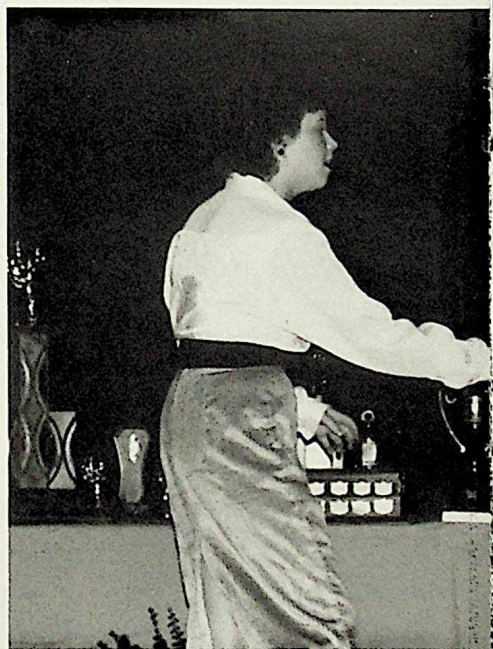

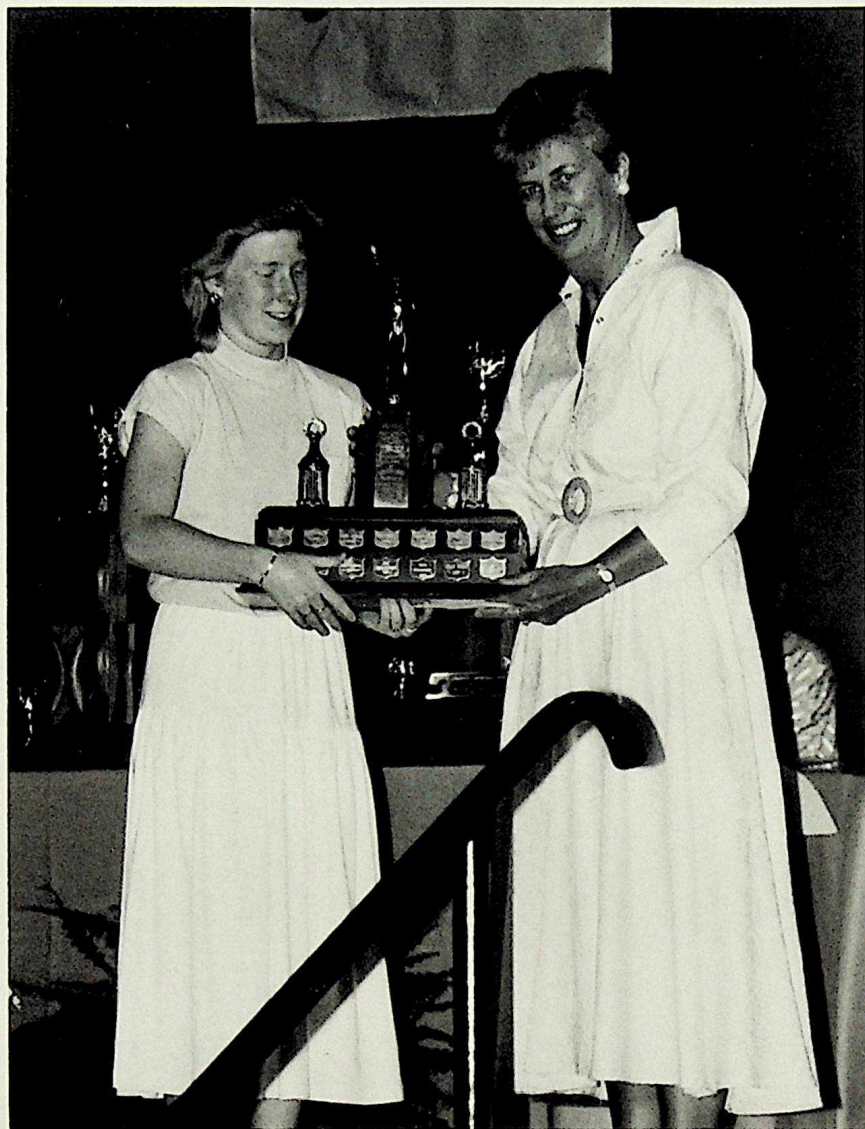

You have to do what you are capable of doing, be where you are comfortable of being, and associate with people you are confident with.

So follow your dreams, pursue your goals, accept the challenge and go forth with confidence, enthusiasm and determination. And you will find success.

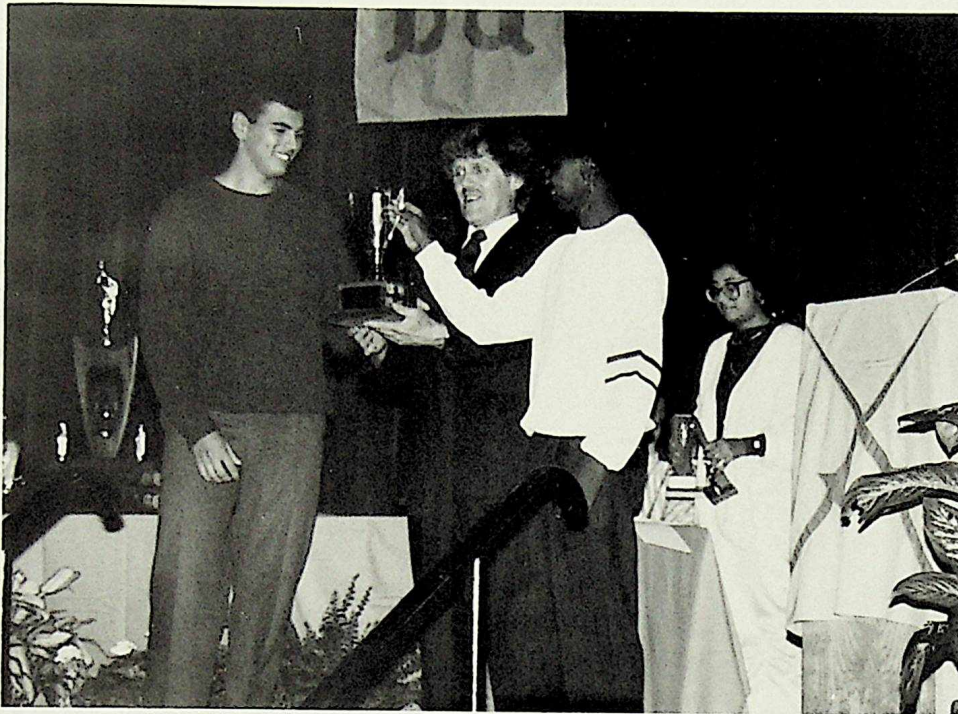

To the Bonnie Doon Graduating Class of 1987, we, your parents, would like to say congratulations, we are very proud of you, and we are very confident in you. Your future, in fact, THE future, lies in your hands. Go for it.

Mr. R. Dewar

Yearbook Staff

As advisor to the Yearbook Staff, I am very proud of the work and commitment of this group. It's always a task to produce a record of all activities that occur throughout the year and to make sure that the spirit of the past year is well represented. The theme "A STEP IN THE RIGHT DIRECTION" was chosen by the staff this year because it was felt that Bonnie Doon Staff and Students made an extra effort to ensure that this year was a success. The School's motto "THE BEST FOR EACH" re-emphasizes the efforts. This book is a lasting memory of the year, and I would like to extend a special thanks to the following staff members. Sheryl Hunter (editor), Melanie Harysh, Tami Schilling, Janelle Unguran.

As the school year ends and you reflect upon the past year, you realize that some of the most valuable lessons don't come from textbooks. They come from life. From the good times and not-so-good times. When you learn about people. About yourself. Or just about handling things.

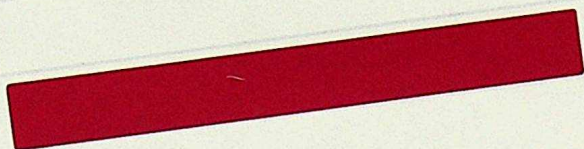

And that's important. Because you never stop solving problems. You just get better at it.

Congratulations on your graduation and your success so far.
